ENOUGH IS ENOUGH: LCBO WORKERS ARE WORTH MORE!

WHEREAS LCBO workers put their bodies on the line during the covid-19 pandemic and were called heroes;

WHEREAS Bill 124 froze LCBO workers' wages to 1% during a cost-of-living crisis, worsening an existing retention and recruitment crisis;

WHEREAS Bill 124 has disproportionately impacted women workers, including racialized women who are the lowest paid and most precariously employed; and

WHEREAS as a Crown corporation owned by the people of Ontario, LCBO in 2021-22 transferred $2.55 billion in profits to the Ontario government, which were invested in public services like health care, education and infrastructure that the people of Ontario depend on; therefore

WE THE UNDERSIGNED petition the Legislative Assembly of Ontario as follows:

1. Reverse the effects of Bill 124 and negotiate decent wages for the nearly 9,000 LCBO workers across Ontario.
2. Keep alcohol sales in public hands to protect Ontarians and our communities, and to ensure LCBO profits are invested in our vital public services.
3. Invest in Ontario workers by providing full-time, good paying jobs at the LCBO.
