

People with disabilities **deserve:**

- Humane service.
- Long-term support in order to achieve their potential.

These important principles are now at risk because of recommendations from a provincial Commission. These recommendations must not come to pass. We ask that all MPPs speak out against them.

Dear MPP

Please show your support for a humane system of income and vocational supports for people with disabilities. **Say no to mandatory work requirements** for people with disabilities. **Say no to combining the Ontario Disability Support Program with Ontario Works.** **Say yes to long-term seamless support** for people with disabilities delivered by provincial staff.

Demand the government reinstate the Community Start Up and Maintenance Allowance benefit. **Don't shut off the lights** and put the most vulnerable Ontarians **out in the cold.**
