

Do you want to teach your daughter the facts of life?  
Give her 70% of your son's allowance.

Women in Canada earn approximately 70 cents for every dollar a man earns, while performing comparable work. Racialized women earn 64 cents, Aboriginal women earn 46 cents and women with disabilities earn just 41 cents.

\* Average hourly wage for all employees, full-time and part-time. Source: Statistics Canada, Labour Force Historical Review, 2008, Canada
