

The Injured Workers Coalition Invites the public to join us for June 1st Injured Workers Day

The “Injured Workers Coalition” is an injured worker support group that is demanding the need for a just compensation system for all workers and families who have been the victims of hazardous workplaces.

Come join us for a free Barbecue with refreshments in a show of solidarity.

Injured Workers are concerned that they will be driven further into poverty as part of the growing attack on benefits, pensions and wages that all workers are facing. Further cuts will continue the downloading of health care costs, welfare and housing onto the backs of taxpayers and relieve employers of their legal obligations to compensate the victims of unsafe workplaces.

Where: CAW Local 195 Union Hall, 3400 Somme Avenue across the street from Central Stamping.

When: 4:00pm, Monday June 1st

Who: Everyone in the community is invited!

Don't forget your lawn chairs and sunscreen!
