

Dear OPSEU Members,

On World AIDS Day donate to OPSEU's Live and Let Live Fund.

On December 1 join people around the world marking World AIDS Day, "Working Together for an AIDS-Free Generation".

Of the 40 million people estimated to be infected with HIV today, over 80% are adults in their productive prime. Workers are losing their health, their income, their rights and their lives. This has serious repercussions for governance, enterprise productivity, the provision of services and socio-economic and global security.

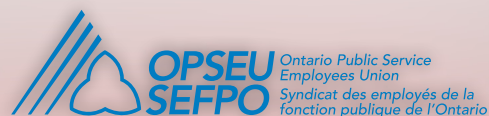

Since 2003 OPSEU has made HIV/AIDS our primary international issue and established the Live and Let Live Fund. Our union is a proud supporter of the Stephen Lewis Foundation. SLF has funded over 700 community organizations in Africa working with those affected by HIV/AIDS. We are also committed to supporting Ontario based organizations that support people living with HIV/AIDS.

On World AIDS Day stand in solidarity with people living with HIV/AIDS and donate to OPSEU's Live and Let Live Fund. Our union has seen what a life changing difference grassroots programs can make to the lives of people who are already struggling against incredible odds.

Individual donations of \$25.00 or more will be issued a tax receipt. Please make cheques payable to: **Live and Let Live Fund and forward to the OPSEU Accounting Department.**

In Solidarity,

Warren (Smokey) Thomas,  
OPSEU President
