Joint Labour/Employers Update #8

CAS PDT Consensus Agreement - to be used as a template in local bargaining

Yesterday, June 14th, 2011, a motion to endorse the Consensus Agreement as a framework for use by agencies in individual bargaining was unanimously passed and endorsed by the Local Director's Section.

Following this meeting, the unions and employers agreed to recommend and refer the template to the local bargaining tables. Members of the PDT have committed to assist tables as we move forward into the next phase of this process.

Please feel free to bring your questions forward to the individuals noted below.
