

Take Action & Stand Strong with Mainstay Housing workers OPSEU Local 540

Workers at Mainstay Housing could be on strike June 30.

The employer has made almost no movement whatsoever on any of the issues tabled by the members.

Workers are asking to be reimbursed the full cost of a TTC fare or mileage when traveling during work. They are also asking to be paid in wages instead of lieu time when working on-call beyond regularly-scheduled hours of work up to 44 hours a week.

It's wrong that staff who work for a supportive housing agency in downtown Toronto should struggle to maintain their own housing given the tendency to "nickel-and-dime" workers out of wages at Mainstay.
