

PETITION

Temporary Replacement Workers

To The Legislative Assembly of Ontario:-

Whereas strikes and lock outs are rare,97% of collective agreements are settled without a strike or lock out;

Whereas Anti Temporary Replacement Workers laws exist in Quebec since 1978; in British Columbia since 1993; and successive governments in those two provinces have never repealed those laws

Whereas Anti Temporary Replacement Workers legislation has reduced the length and divisiveness of labour disputes

Whereas the use of Temporary Replacement Workers during a strike or lock-out is damaging to the social fabric of a community in the short and the long term as well as the wellbeing of its residents

Therefore, we the undersigned, petition the Legislative Assembly of Ontario to enact legislation banning the use of Temporary Replacement Workers during a strike or lock out.
