Together we are stronger

Ontario elections are October 6th. There are 8000 of us, and we're voting for Developmental Services!

We are concerned Ontario citizens and we will be voting. 8000 Developmental Services workers across the province will be considering who will be the best defenders of good jobs and services in this sector. We are standing in solidarity with the people we support, and with our communities. And we will vote!

We are voting for investment in public services ...because we care

The Ministry of Community and Social Services has decided that no additional funding will go towards improving jobs.

This means that no extra funds will be available for the urgent needs of agencies that provide treatment, housing support, group therapy, and a myriad of other services.

Our vote counts.

The provincial government is under a lot of pressure with the upcoming elections on October 6. Our vote counts!

Tell your MPP that investment in public services, good jobs and healthy communities has your vote.

Send your MPP an email, or give them a call. Let them know what it will take to get your vote on October 6th.

It's time to get back to the table.

We call on Finance Minister, Dwight Duncan, to provide the funding the sector needs.

We call on Madeleine Meilleur, Minister of Community and Social Services (COMSOC) to respect working people and fund good jobs.

THE ONTARIO GOVERNMENT MUST COMMIT TO GETTING BACK TO THE PROVINCIAL DISCUSSION TABLES. WE CALL ON THE GOVERNMENT TO ACT NOW AND MAKE DEVELOPMENTAL SERVICES A PRIORITY.
