

Current Correctional Bargaining Unit

I support a stand-alone collective agreement for the current Correctional Bargaining Unit, separate from the rest of the Ontario Public Service. I request that OPSEU undertake the negotiations and other actions that are necessary to achieve a stand-alone collective agreement as a priority for the Corrections Division.

Unified Members in Corrections Work Locations

If the Correctional Bargaining Unit successfully achieves a stand-alone collective agreement, separate from the rest of the Ontario Public Service, then I would be interested to have my position transferred out of the Unified Bargaining Unit and into the Correctional Bargaining Unit under that stand-alone collective agreement.
