

End Workplace Violence

By making safety a priority in mental health

Take Action to Improve Workplace Safety

- ✓ Help spread the word through social media and by speaking with friends, family and colleagues. Sample messages could be:

@Kathleen_Wynne pls instruct @DrEricHoskins & @MPPKevinFlynn to keep our @OPSEU mental health workers safe #staysafe #onpoli @MHDivision

@MPPKevinFlynn @DrEricHoskins help stop violence and make real change for @OPSEU mental health workers #staysafe #onpoli @MHDivision

- ✓ Email the Minister of Health, Dr. Eric Hoskins AND the Minister of Labour, Kevin Flynn. Tell them to fix the system and fund safe workplaces as a top priority.

kflynn.mpp@liberal.ola.org
- ✓ Take part in a lunch-and-learn, coffee break, or other local action in your workplace. Discuss actions you can take to support OPSEU's push for safer workplaces.

Workers have the right to be safe at work. No one should go to work afraid.

Key Demands

- Increase funding to ensure proper staffing levels at all times. **More staff are safer staff. And if staff are safe, patients are safe, too.**
- Implement better risk assessment, communication systems, equipment, buildings and more training. We need the tools to do our jobs – right across the mental health system.
