

**RALLY WITH FRED VICTOR WORKERS
IN THEIR FIGHTBACK AGAINST PRECARIOUS WORK!**

INFORMATION PICKET

**Thursday, January 19, 2017
12:00 – 12:45 p.m.
145 Queen St. E. (Queen & Jarvis)**

Workers at Fred Victor, members of OPSEU Local 509, provide services to individuals who experience poverty, homelessness and mental health challenges in Toronto. The backbone of our service is provided by precarious workers; 47 per cent of us don't have full-time, secure jobs. This has got to stop. We are bargaining a new collective agreement, and our demands haven't been heard. That's why our members voted 88 per cent in favour of taking strike action if necessary.

**ENSURE fair pay and benefits for ALL Fred Victor workers.
No Concessions!**
