OPSEU Harassment and Discrimination Prevention Policy

Proposed Revisions – December 3, 2015

1.0 Introduction

1.1 OPSEU has a long tradition of struggle to end harassment and discrimination. The Union recognizes that equity issues are central to representing and defending members’ rights in the workplace, Union and community. Harassment and discrimination create a climate of intolerance and division among the membership. By eroding our unity and strength, they can weaken our effectiveness at the bargaining table, in the workplace, on the picket line and in the community. Our ability as Union activists and representatives to respond effectively to situations of harassment and discrimination is essential to building OPSEU’s strength.

1.2 OPSEU will not tolerate discrimination and harassment. To this end, the Union will promote human rights and make every effort to prevent violations within the scope of this Policy. This Policy is one step in our fight to eliminate personal harassment, harassment and discrimination contrary to the *Ontario Human Rights Code* (“Code”) and OPSEU’s Constitution which affirms that every member has the right to be treated with dignity and respect.

2.0 Scope and Application

2.1 The Policy applies to all OPSEU members, including retired members and elected leaders during any Union-related duties, activities and functions. This includes, but is not limited to, local meetings, conferences, Conventions, educationals, social functions, picketing and demonstrations. It also applies to union-related interactions between members and elected Union leaders in the workplace.

2.2 Nothing in this Policy is intended to preclude a member from accessing a complaint procedure under a Collective Agreement, the *Code* or other legislation.

2.3 In certain circumstances, it may be necessary for the Union to initiate an investigation of an incident(s) in the absence of a complaint from a member. In order to promote respect for human rights, the Union has an obligation to take action to prevent and discourage behaviour, which contravenes this Policy.

2.4 The recommendation(s) for remedy, corrective action or sanction could include, but are not limited to a warning, reprimand, apology, education, removal from office, bar on running for office for a specified time.

2.5 This Policy addresses all forms of harassment and discrimination, including systemic discrimination. Where the term “systemic” discrimination is used in the Policy and/or Procedures Manual, it refers to patterns of behavior, policies, or practices that are part of OPSEU’s structures, and which create or perpetuate disadvantage based on a prohibited ground.
