

RALLY

AGAINST WAGE CUTS FOR WOMEN
AT THE PETERBOROUGH REGIONAL HEALTH CENTRE

Tuesday, December 11

One Hospital Dr., 11:30 a.m. – 12:30 p.m.

**Join us to demand fair wages
for women at PRHC.**

The CEO's wages went up 21% over three years. Now he wants to impose a wage freeze on administrative workers, 98% of whom are women. It's wrong. It's sexist. And we are going to stop it.
