1.2 “Regular Service” is that part of the Public Service composed of regular employees.

1.3 A “fixed term employee” (FXT) is a public servant appointed under Part 3 of the Public Service of Ontario Act, 2006 for a fixed term.

1.6 A “Seasonal employee” is a public servant appointed under Part 3 of the Public Service of Ontario Act, 2006 for a period of at least eight (8) consecutive weeks to an annually recurring full-time position in the Fixed Term Service in a ministry. For purposes of this definition full-time means a minimum of thirty-six and one-quarter (36 ¼) or forty (40) hours per week, as applicable.
ARTICLE 1 – RECOGNITION

(FXT, SE, ST, RPT, GO)

1.1.1 The Ontario Public Service Employees Union (OPSEU) is recognized as the exclusive bargaining agent for the Correctional Bargaining Unit consisting of all Crown Employees as defined in clause 1(1)(a) of the *Crown Employees Collective Bargaining Act, 1993* as amended from time to time, save and except:

(a) all persons or employees excluded by subsection 1.1(3) of the *Crown Employees Collective Bargaining Act, 1993* as amended from time to time;

(b) all persons or employees exercising managerial functions or employed in a confidential capacity in relation to labour relations;

(c) all employees in bargaining units for which any other trade union or association holds bargaining rights as of January 1, 2009;

(d) all employees in the OPSEU Unified Bargaining Unit;

(e) all employees employed in HR Ontario (as the organization’s functions exist as of January 1, 2009);

(f) all employees employed at the Ontario Police College (as the organization’s functions exist as of January 1, 2009).

For clarity, the Correctional Bargaining Unit is the successor unit to the former Correctional Bargaining Unit as described in subsection 22(2) of the *Crown Employees Collective Bargaining Act, 1993* and which is the successor bargaining unit to the bargaining unit as described as Unit II by the Lieutenant Governor in Council in OIC 243/94 dated February 3, 1994, attached hereto as Appendix 2, in the Tripartite Agreement between the Crown, OPSEU and AMAPCEO dated April 21, 1995, plus those employees included in the Corrections bargaining unit or in the Correctional Bargaining Unit by the agreement of the Crown and OPSEU from February 3, 1994 to December 31, 2008, and as amended by agreement of the parties and such description is deemed to be incorporated in this collective agreement.

1.1.2 For greater certainty, the Correctional Bargaining Unit is composed of Crown employees who are public servants employed in positions responsible for:

(a) the security, control, supervision, care and rehabilitation of adult offenders and young offenders in provincial correctional institutions/facilities (including maximum security units at the provincial psychiatric hospitals);
(b) providing related community-based probation, parole and rehabilitation services to adult and young offenders;

(c) other positions that are headquartered at adult correctional institutions; youth justice facilities; adult probation and parole offices; youth probation offices; or the Correctional Services Recruitment and Training Centre; or

(d) employees in positions or classes that have been or may be established within the above description.

1.2 For greater certainty, such employees include regular, fixed term employees, students, GO Temps, and such other employees as may be mutually agreed.

1.3 For greater certainty, the Correctional Bargaining Unit shall be deemed to be amended in accordance with any agreement of the parties. A list of classifications in the Correctional Bargaining Unit is attached in the Salary Schedule.

1.4 Where the Employer establishes a new classification or creates a new position within an existing class, the Employer shall provide the Union with a copy of the class standard and/or position description, including bargaining unit status (if applicable), at the relevant MERC.

1.5 Upon written request to the employee’s immediate supervisor, an employee in the bargaining unit shall be provided with a copy of their current position description and other documents, if they exist, related to the duties and responsibilities of the position, e.g. physical demands analysis. This information shall be provided within twenty (20) working days of request.

1.6 No position or person in the bargaining unit will be reclassified, nor will any other action be taken with respect to such position or person that is tantamount to reclassification, which reclassification or action tantamount to reclassification would have the effect of moving the position or person from the OPSEU Correctional Bargaining Unit to another bargaining unit. Positions or persons may be transferred from the OPSEU Correctional Bargaining Unit to the OPSEU Unified Bargaining Unit by agreement of OPSEU and the Crown.

1.7 Upon written request to the Employer, the Union shall be provided with a copy of any position description (whether inside or outside of the bargaining unit). This information shall be provided within twenty (20) working days of the request.

1.8 For clarity, the Employer agreed that any new positions or any new classifications of employees that fall within the definition set out in Article 1.1 will be placed in the Correctional Bargaining Unit represented by OPSEU.
1.9 If a person or position that was represented by OPSEU in one of its predecessor bargaining units or any new position or classification is not placed in the Correctional Bargaining Unit and is not excluded pursuant to Article 1.1 of the OPSEU Unified Bargaining Unit Collective Agreement, that person, position or classification must be placed in the Unified Bargaining Unit.

1.10 If a position or classification from the Unified Bargaining Unit is transferred to the Correctional Bargaining Unit and that position or classification does not already exist in the Correctional Bargaining Unit, the entire class series from that position or classification shall be established in the Correctional Bargaining Unit.

ARTICLE 2 – MANAGEMENT RIGHTS
(FXT, SE, ST, RPT, GO)

2.1 For the purpose of this Collective Agreement, the right and authority to manage the business and direct the workforce, including the right to hire and lay-off, appoint, assign and direct employees; evaluate and classify positions; discipline, dismiss or suspend employees for just cause; determine organization, staffing levels, work methods, the location of the workplace, the kinds and locations of equipment, the merit system, training and development and appraisal; and make reasonable rules and regulations; shall be vested exclusively in the Employer. It is agreed that these rights are subject only to the provisions of this Collective Agreement.

ARTICLE 3 – NO DISCRIMINATION / EMPLOYMENT EQUITY
(FXT, SE, ST, RPT, GO)

3.1 There shall be no discrimination practiced by reason of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, marital status, family status, or disability as defined in section 10(1) of the Ontario Human Rights Code (OHRC).

3.2 There shall be no discrimination or harassment practiced by reason of an employee’s membership or activity in the Union.

3.3 The Parties are committed to a workplace free from workplace harassment, including bullying, by other employees, supervisors, managers, any other person working or providing services to the Employer in the workplace, clients or the public, in accordance with the law. Workplace harassment is engaging in a course of vexatious comment or conduct against an employee in the workplace that is known or ought reasonably to be known to be
unwelcome.

3.4 It is recognized that in accordance with section 14 of the *Ontario Human Rights Code*, the Employer’s employment equity program shall not be considered a contravention of this article.

**ARTICLE 4 – CHECK-OFF OF UNION DUES**
**(FXT, SE, ST, RPT, GO)**

4.1 There shall be deducted from the regular bi-weekly pay of every employee appointed to the regular staff of the Regular service a sum in lieu of membership dues equivalent to the bi-weekly dues of the Ontario Public Service Employees Union.

4.2 The deductions referred to herein shall be remitted to the Ontario Public Service Employees Union.

4.3 The Union must advise the Employer in writing of the amount of its regular dues. The amount so advised shall continue to be deducted until changed by a further written notice to the Employer signed by authorized officials of the Union.

4.4 The Union agrees to indemnify and save the Employer harmless from any liability arising out of the operation of this article.

4.5 The parties agree on the arrangements for dues reconciliation data, see Appendix 1 (Data File on Union Dues) attached.

**ARTICLE 5 – INFORMATION TO NEW EMPLOYEES**
**(FXT, SE, RPT)**

All newly hired Fixed-Term, Seasonal, and Regular Part-Time employees shall be informed in writing within thirty (30) days of hire of their benefits and the option to enroll in these benefits.

ARTICLE 6 – POSTING AND FILLING OF VACANCIES OR NEW POSITIONS

6.1.1 When a vacancy occurs in the Regular Service for a bargaining unit position or a new regular position is created in the bargaining unit, it shall be advertised for at least ten (10) working days prior to the established closing date. Notices of vacancies shall be posted either electronically or on bulletin boards and, upon request, shall be provided in large-sized print or braille where the posting location has the capacity to do so. (FXT, SE)

6.1.2.1 Notwithstanding Article 6.1.1 above, the Employer may hire qualified candidates in rank order who previously applied for the same vacancy or new position provided that a competition was held during the previous fourteen (14) months following the closing date of the posting and was within 125 kilometres of the work location of the previously posted position, and provided that the position has cleared surplus. The Employer in these circumstances is not required to post or advertise the vacancy or new position. Where the Employer uses this provision, it shall notify the Local Union President where the vacancy or new position exists, five (5) working days prior to filling the vacancy or new position. The five (5) working day period can be waived with mutual agreement by the parties. (FXT, SE)

6.1.2.2 Candidates that decline a job offer under Article 6.1.1 shall continue to retain their rank on the eligibility list for future vacancies or new positions filled under Article 6.1.2.1. Where the Employer uses the provisions set out in Article 6.1.2.1, a candidate being offered a position may, at their option, decline the position and the position will be offered to the next highest ranked candidate. Once a position has been accepted by the candidate, they will no longer be considered for future vacancies or new positions based on the original competition.

The Employer shall establish an eligibility list of qualified candidates for each position based on the results of a competitive process. The Employer is not required to fill positions through Article 6.1.2.1 when exercising its discretion to fill a vacancy. The eligibility list shall only be shared with the respective Local Union President where the vacancy or new position exists when the Employer reaches back to a competition for the first time. (FXT, SE)

6.2 The notice of vacancy shall state, where applicable, the nature and title of position, salary, qualifications required, and the hours of work schedule as set
out in Article COR2 (Hours of Work). Where a position is posted within the Ontario Public Service, the internal notice of vacancy shall also state the work location where the position currently exists, that the position is represented by the Union and the particular bargaining unit which contains the position. (FXT)

6.3 In filling a vacancy, the Employer shall give primary consideration to qualifications and ability to perform the required duties. Where qualifications and ability are relatively equal, seniority shall be the deciding factor. (FXT, SE)

6.4 An applicant who is invited to attend an interview within the Regular service shall be granted time off with no loss of pay and with no loss of credits to attend the interview, provided that the time off does not unduly interfere with operating requirements. (FXT, SE)

6.5 Relocation expenses shall be paid in accordance with the provisions of the Employer's policy.

6.6.1.1 With the agreement of the Union, the employee and the Employer, an employee shall be assigned to a vacancy where:

(a) the vacant position is identical to the position occupied by the employee, and
(b) the vacant position is in the same ministry as the position occupied by the employee, and the provisions of Articles 6.1.1, 6.2, 6.3, 6.4 and 6.5 shall not apply.

6.7 Where the duties of a position are modified to accommodate an employee with a disability, the position shall not be considered a vacancy for the purposes of this article.

6.8 Where the job specification for a posted vacant position is not available online, or where an employee does not have access to the intranet, upon written request to the Employer, an employee shall be given a copy of the
current position specification applicable to the position they are making application to prior to the closing of the job competition.

6.9 Reference checks are not required on candidates who are not being considered for a job offer.

ARTICLE 7 – PAY ADMINISTRATION

7.1.1 Promotion occurs when the incumbent of a regular position is assigned to another position in a class with a higher maximum salary than the class of their former position.

7.1.2 An employee who is promoted shall receive that rate of pay in the salary range of the new classification which is the next higher to their present rate of pay, except that:

(a) where such a change results in an increase of less than three percent (3%), they shall receive the next higher salary rate again, which amount will be considered as a one-step increase;

(b) a promotional increase shall not result in the employee’s new salary rate exceeding the maximum of the new salary range except where permitted by salary note.

7.1.3 Where an employee:

(a) at the maximum rate of a salary range is promoted, a new anniversary date is established based upon the date of promotion;

(b) at a rate less than the maximum in the salary range is promoted and receives a promotional increase:

(1) greater than a one-step increase, a new anniversary date based on the date of promotion is established;

(2) of one step or less, the existing anniversary date is retained.

7.2.1 Where the duties of an employee are changed as a result of reorganization or reassignment of duties and the position is reclassified to a class with a lower maximum salary, an employee who occupies the position when the reclassification is made is entitled to salary progression based on merit to the maximum salary of the higher classification including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the reclassification takes place.

7.2.2 An employee to whom Article 7.2.1 applies is entitled to be appointed to the
first vacant position in their former class that occurs in the same administrative district or unit, institution or other work area in the same ministry in which the employee was employed at the time the reclassification was made.

7.3 Where a position is reassessed and is reclassified to a class with a lower maximum salary, any employee who occupies the position at the time of the reclassification shall continue to be entitled to salary progression based on merit to the maximum salary of the higher classification, including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the reclassification takes place.

7.4.1 Where, because of the abolition of a position, an employee is assigned:

(a) from one position in a ministry to another position in the same ministry, or

(b) from a position in one ministry to a position in another ministry,

and the position to which they are assigned is in a class with a lower maximum salary than the maximum salary for the class of the position from which they were assigned, they shall continue to be entitled to salary progression based on merit to the maximum salary of the higher classification including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the employee starts the new assignment.

7.4.2 Article 7.4.1 applies only where there is no position the employee is qualified for, and that they may be assigned to, and that is:

(a) in the same classification that applied to the employee’s position before the position was abolished, or

(b) in a classification having the same maximum salary rate as the maximum salary rate of the classification that applied to the employee’s position before the position was abolished.

7.5 Where, for reasons of health, an employee is assigned to a position in a classification having a lower maximum salary, the employee shall not receive any salary progression or salary decrease for a period of six (6) months after their assignment, and if at the end of that period, the employee is unable to accept employment in their former classification, they shall be assigned to a classification consistent with their condition.

7.6 Except as provided above, an employee who is demoted shall be paid at the rate closest to but less than the rate they were receiving at the time of demotion, effective from the date of their demotion.
7.7 It is understood that where an employee is assigned to a position pursuant to Articles 7.4.1, 7.4.2, 7.5 or 7.6, the provisions of Article 6 (Posting and Filling of Vacancies or New Positions) shall not apply.

8.1.2 Notwithstanding Article 8.1.1, acting pay shall not exceed the maximum of the salary range of the higher classification except where permitted by salary note.

8.2 When an employee is temporarily assigned to the duties and responsibilities of a position in a classification with a lower salary maximum where there is not work reasonably available for the employee in the position from which they were assigned, the employee shall be paid the lower applicable classification rate to which they were assigned, after the expiration of ten (10) consecutive working days in such lower classification.

8.3 When an employee is temporarily assigned to the duties and responsibilities of a position in a classification with a lower maximum salary where there is work reasonably available for the employee in the position from which they were assigned, the employee shall continue to be paid at the rate applicable to the classification from which they were assigned.

8.4 This article shall not apply to temporary assignments where an employee is temporarily assigned to perform the duties and responsibilities of another employee who is on vacation.

8.5.1 Where an employee is temporarily assigned to a position in another bargaining unit for a period of more than thirty (30) days, the employee will on the thirty-first (31st) day commence paying dues and be governed by the terms of the Collective Agreement of the position to which the employee have been assigned except that pensions, insured benefits entitlements, and
entitlements under Article 20 (Employment Stability) will continue to be governed by the rules applicable to the employee’s position in the OPSEU Correctional bargaining unit.

8.5.2 When an employee is temporarily assigned to a non-bargaining unit position, the employee shall continue to pay dues to OPSEU and continue to be covered by the Collective Agreement for the entire term of the temporary assignment.

8.6.1 Where an employee is assigned temporarily to a position, Article 6 (Posting and Filling of Vacancies or New Positions) shall not apply except where:

9.7.1 A pregnant VDT operator who operates a VDT that contains cathode ray tubes may request reassignment from VDT duties for the remainder of their pregnancy by forwarding a written request to the Employer together with a certificate from a legally qualified medical practitioner certifying that the employee is pregnant.

9.7.2 Upon receipt of the written request specified in Article 9.7.1, the Employer shall, where possible, assign the employee to a vacancy in the bargaining unit within their ministry, provided that the employee is able and qualified to perform the required duties and the salary maximum of the vacancy is not greater than the salary maximum of the classification of their position. Where more than one such vacancy is available, the Employer shall assign the employee to the vacancy with the highest salary maximum. The assignment of a surplus employee to a vacancy, in accordance with Article 20 (Employment Stability), shall have priority over an assignment under Article 9.7.

9.7.3 Where an employee is assigned to a vacancy in accordance with Article 9.7, the provisions of Article 6 (Posting and Filling of Vacancies or New Positions) shall have no application.

9.7.5 Where it is not possible to assign an employee in accordance with Article 9.7.2, the employee shall, upon written request, be granted a leave of absence without pay to cover the period preceding the date on which the employee would be entitled to commence pregnancy leave of absence in accordance with Article 50 (Pregnancy Leave).

Where an employee makes this election, there shall be deducted from the employee’s pay for time worked under Article COR13.1, an amount equal to the number of additional hours of leave granted under this article.

5.2 Vacation Credits – A deduction from an employee’s vacation credits will be made for each day of approved vacation leave of absence as follows:

(Prorating determined by length of workday. For an employee on Schedule 4, off on a ten (10) hour day, deduct 10/8 x 1 credit = 1.25 credits. For an employee on Schedule 4, off on a twelve (12) hour day, deduct 12/8 x 1 credit = 1.5 credits.)

A partial day’s absence will be prorated on the same formula.

(a) 7¼ or 8 hours per day, as applicable, or
(b) the actual number of hours spent receiving training, for each day that the employee participates in the training program.

7.2.1 Where the change prescribed in Article 7.1 results in fewer or more hours than the employee was previously scheduled to work on the day(s) in question, the “extra” or “deficit” hours shall be reduced to zero within sixty (60) working days of the completion of the training program, without any loss of pay by the employee or overtime payments by the Employer, as follows:

(b) the employee shall be scheduled off duty for a corresponding number of hours to offset any extra hours.

10.2  JOB SHARING

10.2.1  Job sharing can occur where there is agreement between the employees who wish to job share, the Union, and the Employer.

10.2.2  It is agreed that job sharing results from two employees sharing a full-time regular position and as such the position shall continue to be identified as a full-time regular position.

10.2.3  Employees in a job sharing arrangement must share the same classification and level.

10.2.4  The sharing of the hours of work shall be determined by the parties to the sharing agreement but in no case shall one employee work less than fourteen (14) hours per week.

10.2.5  (a) Employees in a job sharing arrangement shall be accorded the Working Conditions and Employee Benefits contained in Part 1 & 2 of this Collective Agreement. However, where applicable, they shall be pro-rated in accordance with the employee’s hours of work.

(b) This Collective Agreement will be used to provide administrative direction for the applicable pro-rating of the working conditions and benefits, and Article 57.1 (Pay and Benefits Administration) for the purposes of calculating a basic hourly rate.

10.2.6  In the event that one employee in the job sharing arrangement leaves that arrangement on a permanent basis for any reason the remaining employee would first be offered the opportunity to assume the position on a full-time basis.

10.2.7  If the remaining employee declines the full-time opportunity, the position may be posted and advertised as a job sharing vacancy, subject to the provisions of this Collective Agreement.

10.2.8  Failing successful filling of the job sharing position, the remaining employee shall be offered a further opportunity to assume the position on a full-time basis.

10.2.9  If the remaining employee still declines this opportunity, the position would continue to exist as a full-time position and the Employer may fill the balance of hours through temporary measures, if required.

10.2.10 The Employer undertakes to notify the President of the Union of all job sharing arrangements.
10.3  JOB TRADING

10.3.1 The following terms and conditions apply in respect of job trading as indicated in 10.3.2 to 10.3.13.

10.3.2 Regular employees who hold full-time, or regular part-time positions are eligible to trade jobs. An employee may trade jobs with an employee in receipt of notice of layoff pursuant to Article 20 (Employment Stability).

10.3.3 An employee can only trade jobs with an employee in the same category (i.e., a full-time employee can only trade jobs with another full-time employee; a regular part-time employee can only trade jobs with another regular part-time employee).

10.3.4 An employee who wishes to trade jobs with another employee must register with their ministry’s human resources branch and complete the required documentation, which includes the employee portfolio. The employee must also indicate the specific location or locations to which they are willing to relocate.

10.3.5 An employee may only trade jobs with another employee who holds a position

- in the same classification; and
- in the same ministry; and

provided they are qualified to perform the normal requirements of the position without training.

10.3.6 Notwithstanding seniority, an employee will be considered for job trading prior to other employees registered for job trading if that employee’s spouse is also employed in the Ontario Public Service and has relocated to continue such employment at a different headquarters location.

10.3.7 If an employee has registered for job trading and the employee has also offered to be declared surplus pursuant to Article 20.7 (Voluntary Exit Option) of the Collective Agreement, their rights under that article will be exercised before any rights under this job trading agreement.

10.3.8 Relocation expenses incurred by employees who trade jobs will not be reimbursed by the Employer.

10.3.9 In the event more than one (1) employee meets the criteria to trade jobs with another employee, the Employer will choose the best qualified employee for the job to be traded. Where the qualifications and skills of two (2) or more employees are relatively equal, seniority will be the deciding factor, subject
to Article 10.3.5 above.

10.3.10 Employees cannot trade jobs unless both of their managers approve of the trade.

10.3.11 Job trading is voluntary. Provided an employee has not been matched with another employee’s job, they may withdraw at any time.

10.3.12 A job trade is not final until all four (4) parties to the trade have confirmed their agreement, in writing, i.e., the trading employees and their managers.

10.3.13 Should the employment situation or relocation decision of either employee change after sign-off, the job trade agreement remains binding. For example, if an employee receives surplus notice after a job trade is completed, then the employee will be subject to the appropriate procedures for redeployment.

ARTICLE 11 – HEADQUARTERS

11.1 This article applies to employees who do not attend at or work at or work from any permanent ministry facility in the course of their duties, but for whom a permanent ministry facility or other place is designated as an employee’s “headquarters” for the purposes of the provisions of this Central Collective Agreement and of various allowances which require a headquarters to be specified.

11.2 A ministry may designate a headquarters when an employee is initially appointed to a position, or when a position is filled by an employee in accordance with Article 6 (Posting and Filling of Vacancies or New Positions), Article 7 (Pay Administration), Article 20 (Employment Stability) of this Collective Agreement. All job postings, notices and offers in relation to positions covered by this article shall include the designated headquarters for the position. This designation shall be the location considered by the ministry to be the most convenient for the efficient conduct of the ministry’s business, having regard to the ministry’s projection of the location of the employee’s work assignments for a period of two (2) years. It is not a requirement that the designated headquarters be a facility whose functions are related to the work to be performed by the employee, and the employee’s residence may also be designated as their headquarters. The Employer will supply to the Union, by December 30 of each year, a current list of headquarters designations for employees covered by this article.

11.3 By mutual agreement in writing between the ministry and an employee, a new headquarters may be designated for an employee at any time, and by mutual agreement in writing between the ministry and the employee, a temporary or seasonal headquarters may be designated for a stated period, following which the previously designated headquarters will be reinstated unless it has been changed in accordance with this article.
11.4 A ministry may change the headquarters of an employee covered by this article, if:

(a) the employee’s residence has been designated as their headquarters and they subsequently initiate a change of residence; or

(b) a ministry facility which has been designated as the employee’s headquarters ceases to operate as a ministry facility; or

(c) the employee is assigned to a work location or work locations at least forty (40) kilometres by road from their existing headquarters, and it is anticipated that the employee will continue to work in the area of the new work location or work locations for at least two (2) years.

11.5 Where a ministry exercises its right to change the headquarters of an employee otherwise than by mutual agreement with the employee, the following procedure will apply:

(a) The ministry shall first give notice to the employee of its intent, and shall consult with the employee to determine the employee’s interests and the employee’s preferences as to the new headquarters location.

(b) The ministry shall determine the new headquarters location in a way which is equitable to both the employee and the ministry.

(c) The employee shall be given three (3) months’ notice of the change in designation of the headquarters.

11.6 Where it is necessary to identify which one or more of a group of employees is to be assigned to a new headquarters, the employees to be reassigned shall be identified by considering the qualifications, availability, and current location (home, closest facility and work location). Where qualifications, availability and location are relatively equal, length of continuous service shall be used to identify the employee to be reassigned.

11.7 Employees who relocate their residences because of a change in headquarters, other than a temporary or seasonal change, in accordance with this article, shall be deemed to have been relocated for the purposes of the Employer’s policy on relocation expenses.

ARTICLE 12 – ISOLATION PAY

12.1 An employee who is stationed at a work location which receives a total of eight (8) or more points under the factors outlined in Articles 12.3.1 and 12.3.2 shall be paid an isolation allowance in accordance with the following
scale:

- 8 points $3.45 per week
- 9 – 12 points $5.18 per week
- 13 – 16 points $6.90 per week
- 17 – 20 points $8.63 per week

- 37 – 40 points $17.25 per week
- 41 – 44 points $18.98 per week
- 45 – 48 points $20.70 per week

12.2 For purposes of this article, “work location” is defined as the address of the working place at which the employee is normally stationed or, in certain special cases, another location designated as headquarters by the ministry.

12.3 This article shall not apply to employees whose work locations are south of the following boundary lines: Border of the State of Minnesota and Ontario easterly along the northern shores of Lake Superior and Lake Huron (inclusive of such islands as Manitoulin) to the French River; French River to Lake Nipissing; Lake Nipissing easterly to Highway 17; Highway 17 to Mattawa.

ARTICLE 14 – TIME CREDITS WHILE TRAVELLING
(FXT, SE, RPT)

14.1 Employees shall be credited with all time spent in travelling outside of working hours when authorized by the ministry.

14.2 When travel is by public carrier, except municipally operated transit systems, time will be credited from one (1) hour before the scheduled time of departure of the carrier until one (1) hour after the actual arrival of the carrier at the destination.

14.3 When travel is by automobile and the employee travels directly from their home or place of employment, time will be credited from the assigned hour of departure until they reach their destination and from the assigned hour of departure from the destination until they reach their home or place of employment.

14.4 When sleeping accommodation is provided, the hours between eleven (11:00) p.m. and the regular starting time of the employee shall not be credited.

14.5 When an employee is required to travel on their regular day off or a holiday listed in Article 47 (Holidays), they shall be credited with a minimum of four (4) hours.

14.6 All travelling time shall be paid at the employee’s basic hourly rate or, where mutually agreed, by compensating leave.

ARTICLE 15 – NON-PYRAMIDING OF PREMIUM PAYMENTS
(FXT, SE, RPT)

15.1 There shall be no duplication or pyramiding of any premium payments or compensating leave provided by the Collective Agreement.
ARTICLE 16 – LOCAL AND MINISTRY NEGOTIATIONS
(FXT, SE, RPT)

16.1 It is agreed that ministries that have employees within the Correctional Bargaining Unit may enter into local and ministry employee relations negotiations such that are appropriate as not being excluded by the provisions of the Crown Employees Collective Bargaining Act, 1993. Such negotiations shall not be subject to the mediation and arbitration procedures under the Act, provided however, that nothing shall preclude a grievance alleging a violation of the Collective Agreement, as provided in the said Act.

16.2 The ministry Employee Relations Committee (ERC) shall be co-chaired by a member of the ministry’s Senior Management Group.

16.3 The Union may forward to the Deputy Ministers matters which are not resolved at the ministry ERC, and the Deputy Ministers shall respond in writing to the matters raised within twenty-one (21) days of receipt by the Deputy Ministers of the unresolved item.

16.4 A Bi-Ministry Employee Relations Committee (BMERC) shall be established consisting of equal numbers of up to four (4) members from each party. The Committee will discuss matters of interest between the parties which may include matters unresolved at ministry level negotiations. BMERC discussions shall not be subject to mediation or arbitration. Either party may invite an additional representative for specific issues.

16.5.1 MERC Co-chairs will be provided with a listing of fixed-term employees (including students) on a quarterly basis. The listing of fixed-term employees shall include:
- Employee name
- Position Title
- Division & Branch
- Location, City
- Employee Status
- Employee ID
- Classification & Job Code
- Position Entry Date
- Current position length
- Expected End Date
- Months in Current Position

16.5.2 Seniority lists of seasonal employees for each ministry, where applicable, including the employees’ names, employee ID number, date of original hire and total seniority hours where available, ministry, classification, position title and location shall be maintained and provided to the appropriate MERC Co-Chairs twice annually. The appropriate timing for this disclosure should
be discussed at the MERC.

ARTICLE 17 – JOINT CONSULTATION COMMITTEE
(FXT, RPT)

17.1 The Union and the Employer agree that consultation and communication on matters of joint interest are desirable to promote constructive and harmonious relations.

17.2.1 The parties agree that a joint consultation committee composed of up to four (4) representatives from the Union and up to four (4) representatives of the Employer, shall be used as a forum for consultation on changes in conditions of employment not governed by this Collective Agreement and on other matters of mutual interest.

17.2.2 The committee shall meet once every two (2) months, or more frequently, with the consent of the parties.

17.3 While the committee shall consider and attempt to resolve all problems of mutual concern, it is understood that the committee shall function in an advisory capacity and shall have no power to alter, amend, add to or modify the terms of this Collective Agreement.

ARTICLE 18 – SENIORITY (LENGTH OF CONTINUOUS SERVICE)
(FXT, RPT)

18.1.1 An employee’s length of continuous service will accumulate upon completion of a probationary period of not more than nine (9) months and shall commence:

(a) from the date of appointment to the Regular Service for those employees with no prior service in the Ontario Public Service; or

(b) For service accumulated up to October 30, 2015, from the date established by adding the actual number of full-time weeks worked by a full-time fixed-term employee during their full-time employment back to the first break in employment which is greater than thirteen (13) weeks; or

For service accumulated after October 30, 2015 up to December 31, 2017, full-time fixed-term employees shall be entitled to have their service counted towards the accumulation of seniority, based upon 1725.5 straight-time hours or 1,904 straight-time hours, as appropriate, counting as equivalent to one year’s service, or pro-rated
to the equivalent of less than one year as appropriate; or,

For service accumulated on or after January 1, 2018, fixed-term employees shall be entitled to have their service counted towards the accumulation of seniority, based upon 1725.5 straight-time hours or 1,904 straight-time hours, as appropriate, counting as equivalent to one year’s service, or pro-rated to the equivalent of less than one year as appropriate; or,

(c) for a Regular part-time employee, from January 1, 1984 or from the date on which they commenced a period of unbroken, part-time employment in the public service, immediately prior to appointment to a regular part-time position in the Regular Service, whichever is later; or

(d) effective January 1, 1984, from the date established by adding the actual number of full-time weeks worked by a full-time seasonal employee during their full-time employment back to the first break in employment which is greater than thirteen (13) weeks.

“Unbroken service” is that which is not interrupted by separation from the public service; “full-time” is continuous employment as set out in the hours of work schedules for the appropriate classifications; and “part-time” is continuous employment in accordance with the hours of work specified in Article 58.1 (Hours of Work).

Effective December 20, 1990, any leaves of absence granted under Article 31.9 (Fixed-Term Employees – Pregnancy and Parental Leave) and Article 32.19 (Seasonal Employees – Pregnancy and Parental Leave) shall be included in the calculation of length of continuous service.

18.1.2 An employee’s probationary period may be extended up to a total of twelve (12) months by mutual agreement between the employee, the Union and the Employer.

18.2 Notwithstanding Article 18.1, where a Regular part-time employee within the meaning of the Collective Agreement becomes a full-time regular employee, any service as a Regular part-time employee which forms part of their unbroken service in the Regular Service shall be calculated according to the following formula:

\[
\text{Weekly Hours of Work as a Regular Part-time employee} \times \frac{\text{Years of Continuous Service as a Part-time Regular employee}}{\text{Full-time hours of work for class(weekly)}}
\]

Changes in the employee’s weekly hours of work shall be taken into account.
Example:

- Weekly hours of work as a Regular part-time employee
  = 6 years at 20 hours per week, and 2.5 years at 16 hours per week

- Full-time hours of work for class (weekly) = 40
  (Schedule 4)

- Seniority (Length of Continuous Service) on becoming a full-time regular employee
  \[
  = \frac{(20 \times 6 \text{ years}) + (16 \times 2.5 \text{ years})}{40} 
  \]

  = 3 years + 1 year = 4 years

18.3 Where an employee has been released in accordance with Article 20 (Employment Stability) and rehired within two (2) years, the period of absence shall not be computed in determining the length of continuous service. However, periods of continuous service before and after such absence shall be considered continuous and are included in determining the length of continuous service.

18.4 Continuous service shall be deemed to have terminated if:

(a) an employee resigns or retires; or

(b) an employee is dismissed unless such dismissal is reversed through the grievance procedure; or

(c) an employee is absent without leave in excess of ten (10) consecutive working days; or

(d) an employee is released in accordance with Article 20 (Employment Stability) and remains released for more than two (2) years.

18.5 An OPS-wide seniority list and seniority lists for each ministry, including the employees’ names, employee ID number, date of continuous service, ministry, classification, position title and location shall be maintained and provided to OPSEU on a quarterly basis. In addition, the ministry seniority list shall be provided to the MERC Co-Chair upon request to the Employee Relations Division but in no case shall such requests be made more than once per month.
ARTICLE 19 – MULTIPLE LAY-OFFS

(RPT)

19.1 Where a reorganization, closure, transfer, or the divestment, relocation or contracting-out of an operation in whole or in part will result in thirty (30) or more surplus employees in a ministry,

(a) affected employees shall receive six (6) months’ notice of lay-off or pay in lieu thereof as provided in Article 20.2 (Notice and Pay in Lieu), and

(b) the President of the Union shall be notified of the reorganization, closure, transfer, or the divestment, relocation or contracting-out prior to notification to affected employees, and

(c) the Ministry Employee Relations Committee (MERC) shall consult on issues related to lay-off, displacement and recall.

ARTICLE 20 – EMPLOYMENT STABILITY

20.1 PREAMBLE

20.1.1 Where a lay-off may occur for any reason, the identification of a surplus employee in an administrative district or unit, institution or other such work area and the subsequent redeployment, displacement, lay-off or recall shall be in accordance with seniority subject to the conditions set out in this article.

20.1.2.1 SURPLUS NOTICE ALERT

Where one or more positions in an administrative district or unit, institution or other such work area will be declared surplus, all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) working days prior to the issuance of any notice of layoff and which shall not be included in the notice period in Article 20.2. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

20.1.2.2 The Surplus Notice Alert will also:

(a) Offer the employees, whose positions are specifically identified for surplussing, to exit the OPS with one of the options outlined in Article 20.1.2.3, if they plan to exit the OPS and not seek a targeted direct assignment under Article 20.3 or a displacement under Article 20.4.
(b) Invite all employees working in the affected job functions to volunteer to exit the OPS with one of the options outlined in Article 20.1.2.3. Volunteers to exit the OPS will be approved on the basis of seniority up to the numbers required. Volunteers not approved may register under Article 20.7.

20.1.2.3 Volunteers under Article 20.1.2.2 must respond to the Employer in writing within five (5) working days of the issuance of the Surplus Notice Alert. The response must indicate which one of the following options the employee selects:

(a) Pay in lieu option under 20.2.1.3 in which case no other provisions under Article 20.2 shall apply; or

(b) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the OPSEU Pension Plan; or

(c) Pension Bridging pursuant to paragraph 2 of Appendix 9 (Employment Stability), if eligible, to the employee’s first permanent unreduced pension factor (90, 60/20, Age 65), under the OPSEU Pension Plan

For clarity, termination payments under Article 53 and 78, and enhanced severance under paragraph 4(b) of Appendix 9 (Employment Stability), where eligible, apply to options (a) through (c).

20.1.2.4 The Employer will respond in writing within five (5) days of receipt of an employee’s request. An employee’s last day at work will be five (5) days from receipt of the Employer’s acceptance, or such other period as the employee and the Employer shall agree.

20.1.2.5 For clarity, if an employee does not exit under Article 20.1.2.2, it will not affect or preclude their entitlement to any option if the employee subsequently receives a notice of layoff.

20.1.3 ELIGIBILITY FOR EMPLOYMENT INSURANCE

The parties agree that all employees who accept a pay-in-lieu option under Article 20.2 are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered “workforce reduction processes” under the Employment Insurance Act.
20.1.4 EMPLOYEE PORTFOLIO

20.1.4.1 An Employee Portfolio will be deemed to include the qualifications and knowledge as identified in the employee’s current position description for the purposes of Article 20.3 (Targeted Direct Assignment), 20.4 (Displacement) and 20.8 (Temporary Vacancies) unless otherwise modified by the employee.

20.1.4.2 All new employees must complete an Employee Portfolio within their probationary period. The Employee Portfolio will be provided in electronic format, such that it can be edited by the employee. The Employee Portfolio will be placed on the employee’s personnel file.

Notwithstanding the above, the Employer shall require any employee that it has reasonable grounds to believe may be declared surplus to complete an Employee Portfolio within six (6) days.

20.1.4.3 An employee may advise the Employer in writing at any time of their desire to update the employee portion of an Employee Portfolio to reflect the acquisition of new or improved skills, knowledge and abilities, and/or change the geographic parameters. Such changes shall be implemented within three (3) working days of the Employer receiving the updated employee portion of the Employee Portfolio.

20.1.4.4 Once an employee has completed an employee portfolio and submitted it to the Employer, it shall remain on file and will be considered to be current. It is the responsibility of the employee to update their portfolio to reflect the acquisition of new or improved skills, knowledge and abilities.

20.2 NOTICE AND PAY IN LIEU

20.2.1.1 Employees whose positions have been specifically identified for surplussing in accordance with Article 20.1.2.2 (a) and who do not choose to exit the OPS, and where no volunteer has been identified in accordance with Article 20.1.2.2 (b) shall receive notice of layoff following the expiry of the period set out in Article 20.1.2.1. Following receipt of notice, the employee shall advise the Employer, in writing, within a ten (10) working day period, their decision either:

(a) to exercise rights under Article 20.2; or

(b) to remain employed during the six-month notice period for possible redeployment pursuant to Article 20.3; or

(c) to remain employed during the six-month notice period for possible redeployment pursuant to Article 20.3, and to exercise rights under Article 20.4 (Displacement).
20.2.1.2 An employee who fails to provide their written decision as required by Article 20.2.1.1 above shall be deemed to have decided to remain employed during the notice period.

20.2.1.3 An employee identified as surplus shall receive six (6) months notice of lay-off or, with mutual consent, an employee may resign and receive equivalent pay in lieu of notice. Pay in lieu for the balance of the notice period shall only be granted where the Employer determines that operational requirements permit an employee’s exit from the workplace prior to the expiration of six (6) months notice.

20.2.1.4 Pay-in-lieu options under this agreement, where the Employer determines that operational requirements will be met, means either:

(a) A lump sum of six months’ pay, plus severance as provided for in Article 53 or 78 and enhanced severance under Paragraph 4 of Appendix 9, if eligible, payable as soon as possible, in which case all salary and benefit entitlements which would have accrued to the employee from the last day worked to the layoff date are forfeited; or

(b) Continuance of salary plus benefits (except STSP and LTIP) commencing on the surplus date for the duration of the notice period, plus severance as provided for in Article 53 or 78, and enhanced severance under Paragraph 4 of Appendix 9, if eligible, paid out at the layoff date.

20.2.1.5 Where an employee accepts a pay-in-lieu option pursuant to this Article, the employee’s last day at work shall be five (5) working days after the employee advises or is deemed to advise the Employer of the acceptance of a pay-in-lieu option, or such other period as the employee and the Employer shall agree.

20.2.1.6 When an employee is to receive a notice of layoff, the Employer will notify the union of the time and place of the Surplus Notice Alert and notice of layoff meeting.

20.2.2.1 Notwithstanding 20.2.1.3 the notice period will begin when the employee receives official written notice. Copies of all such notices shall be provided to the Employer and to the Union.

20.2.2.2 For clarification, where there is a hiatus in the notice period under this article, all redeployment activities, except as set out in Articles 20.2.2.8 and 20.8.6, cease during the hiatus.

IMPACT OF LEAVES OF ABSENCE AND TEMPORARY ASSIGNMENTS

20.2.2.3 Where the employee’s position is declared surplus while the employee is
away on a sick leave (Short Term Sickness Plan (STSP), Long Term Income Protection (LTIP) or Workers Safety Insurance Board (WSIB) claim), the ministry shall notify the employee that their position has been declared surplus and that, when the employee returns to full-time work, the surplus notice shall be issued.

20.2.2.4 Where the employee’s position is declared surplus while the employee is away on a leave of absence, the ministry shall notify the employee that their position has been declared surplus and inform the employee of the option to:

(a) return early from the leave of absence and receive the surplus notice at that time; or
(b) return at the end of the leave and receive the surplus notice at that time.

20.2.2.5 Where an employee’s position is declared surplus while the employee is on a temporary assignment or secondment, the home ministry shall have the option of:

(a) returning the employee to their home position and issuing the surplus notice at that time; or
(b) giving the employee their surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy or the temporary assignment ends, whichever occurs first.

TREATMENT OF SURPLUS NOTICES ISSUED BEFORE LEAVE OF ABSENCE OR TEMPORARY ASSIGNMENT

20.2.2.6 (a) Where the employee’s position is declared surplus before a LTIP or WSIB sick leave of absence begins, the employee’s notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.

(b) Where the employee’s position is declared surplus before a STSP leave of absence, the employee’s notice shall be put on hiatus if from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month. Where the employee is on a sick leave and is expected to return to work within one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if after one (1) month on STSP the employee’s prognosis for returning to work remains uncertain, the surplus notice is put on hiatus at that point until the employee is able to return to work.

If the employee displaces or is directly assigned to a new position before
going on STSP/LTIP/WSIB, the accepting ministry must honour the leave of absence.

20.2.2.7 Where the employee’s position is declared surplus before a leave of absence begins, the employee may choose to:

(a) accept a hiatus in the surplus notice period during the leave of absence, (when the employee returns from the leave of absence the balance of the notice period shall continue); or
(b) decline a hiatus in the surplus period during the leave of absence; or
(c) return early from the leave of absence, (when the employee returns from the leave of absence the balance of the notice period shall continue).

If the employee displaces or is directly assigned to a new position before going on the leave of absence, the accepting ministry must honour the leave of absence.

20.2.2.8 Where the employee’s position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is eligible for a targeted direct assignment into a temporary assignment under the Agreement), the employee’s surplus notice is put on hiatus, however the employee may continue to identify and be considered for vacancies under Article 20.3. This provision only applies where the temporary assignment or secondment is filled competitively.

20.2.3 Where an employee accepts pay in lieu of notice pursuant to this article, any further entitlements under this Collective Agreement are forfeited save and except any rights under Article 53 or 78 (Termination Payments) or paragraph 4 (b) of Appendix 9 (Employment Stability). The employee will be eligible to apply for restricted competitions from the last day of work until twenty-four (24) months from the date on which lay-off would otherwise have occurred. Such an employee shall keep their Designated Human Resources Contact informed of any change of address and/or telephone numbers and/or home e-mail (if any). Such changes must be sent in writing or electronically.

Notwithstanding Article 18.3, where an employee applies for any competition within twenty-four (24) months from the date the lay-off would otherwise have occurred, the employee’s continuous service before the absence shall be considered in determining the length of continuous service for the sole purpose of any determination made by the Employer under Article 6.3 (Posting and Filling of Vacancies or New Positions).

20.2.4 Where an employee accepts pay in lieu of notice and is re-appointed to a position in the Ontario Public Service prior to the originally projected lay-off date, the employee will repay to the ministry a sum of money equal to the
amount paid for the period between the date of re-appointment and the original projected lay-off date. In addition, the employee will repay to the ministry all monies received under paragraph 4 of Appendix 9 (Employment Stability). The employee’s continuous service date, for all purposes except Article 53 or 78 (Termination Payments), shall be deemed to include both service up to the last day of active work and the accumulation of service after the date of re-appointment. The new service date for purposes of termination pay shall be the date on which the employee recommences work.

20.2.5 Where an employee who accepts a pay in lieu of notice is re-appointed to a position in the Ontario Public Service after the originally projected lay-off date, and prior to the expiration of a further twenty-four (24) months, the employee will repay to the ministry all monies received under paragraph 4 of Appendix 9 (Employment Stability). The employee’s continuous service date for all purposes except Article 53 or 78 (Termination Payments), shall be deemed to include both service up to the last day of active work and the accumulation of service after the date of re-appointment. The new service date for purposes of termination pay shall be the date on which the employee recommences work.

20.3 TARGETED DIRECT ASSIGNMENT

20.3.1.1 An employee who has received notice of lay-off in accordance with this article shall be assigned to a position that becomes vacant in their ministry or in another ministry during their notice period provided that:

(a) the employee applies for and indicates on their application for the vacancy that they have received notice of layoff and are eligible for a targeted direct assignment; and

(b) the employee meets the entry level qualifications for the position; and

(c) the vacancy is either:

(i) in the same classification, or in the same class series within a range of two classifications below the employee’s current home position; or

(ii) in the same classification of a position that the employee previously held either on a full-time basis or where the employee performed the full range of job duties on a temporary basis for at least twelve (12) months; and

(d) there is no other person who meets the entry level qualifications for the position, who has a greater length of continuous service and who is eligible for assignment to the vacancy pursuant to Article 20.3 or there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is
eligible for assignment to the vacancy pursuant to Article 20.6 (Recall). Where two or more employees with the same continuous service are matched to the same targeted direct assignment and one of the employees’ surplussed positions is in the same Ministry where the vacancy is, the employee will be assigned to the vacancy.

20.3.1.2 Where an employee eligible for a targeted direct assignment is in a position that is listed in Appendix 50 (Job Trades) and the employee applies for the same position in the same classification, the employee shall be deemed to be qualified for the position and shall be assigned provided there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.3 or Article 20.6 (Recall).

20.3.2 It is understood that the employee may apply for a position outside of the forty (40) kilometre radius of their headquarters and that relocation expenses will not be paid.

20.3.3 Where an employee eligible for a targeted direct assignment applies for a vacancy, the Employer shall advise the employee within ten (10) working days of the competition’s closing date as defined in the job posting whether they will be directly assigned to the position. The employee shall be required to inform the Designated Human Resource Contact in writing within five (5) full working days of receiving notification of a targeted direct assignment whether the assignment will be accepted.

If an employee is deemed to have not met the entry level qualifications for a targeted direct assignment, the employee may contact their designated Human Resource contact for further assistance and feedback.

20.3.4 If, in accordance with Article 20.3.1 or 20.3.2 an employee is offered an assignment, refusal of the job offer will result in lay-off at the end of the notice period.

20.3.5 If an employee is assigned into a lower-paying position through targeted direct assignment, they will continue to be paid the salary of their former position and is entitled to salary progression to the maximum salary of their former position for the term of the Collective Agreement. Any revision of the maximum salary of the former position that takes effect during the term of the Collective Agreement in which an employee starts the new assignment will be deemed to be the red-circled maximum salary.

20.4 DISPLACEMENT

20.4.1.1 An employee who has completed their probationary period, who has received notice of layoff pursuant to Article 20.2 (Notice and Pay in Lieu), who has elected for displacement, and who has not been assigned to a targeted direct
assignment by the beginning of the sixth month of the surplus notice period, in accordance with the criteria of Article 20.3 (Targeted Direct Assignment) to another position shall have the right to displace an employee who shall be identified by the Employer in the following manner as set out in Articles 20.4.1.2 to 20.4.1.10. To be eligible to displace, the employee must advise in writing as per Article 20.2.1.1 by submitting the Displacement Election Form which indicates they elect to exercise their right to displacement pursuant to Article 20.4.

20.4.1.2 The Employer will identify the employee with the least seniority in the same classification and the same ministry as the employee’s surplus position. If such employee has less seniority than the surplus employee, they shall be displaced by the surplus employee provided that:

(a) such employee’s headquarters is located within a forty (40) kilometre radius of the headquarters of the surplus employee; and

(b) the surplus employee is qualified to perform the work of the identified employee.

20.4.1.3 If the surplus employee is not qualified to perform the work of the least senior employee identified under Article 20.4.1.2 above, the Employer will continue to identify, in reverse order of seniority, employees in the same classification and in the same ministry until a less senior employee is found within forty (40) kilometres of the surplus employee’s headquarters whose work the surplus employee is qualified to perform.

20.4.1.4 Failing displacement under Article 20.4.1.2 or 20.4.1.3 above, the Employer will identify, in reverse order of seniority, employees in the same class series in descending order until an employee with less seniority is found in the same ministry within forty (40) kilometres of the surplus employee’s headquarters. The identified employee shall be displaced by the surplus employee provided they are qualified to perform the work.

20.4.1.5 Failing displacement under Articles 20.4.1.2, 20.4.1.3 or 20.4.1.4 above, the Employer will review other classes which the employee held either on a full-time basis, or who performed the full range of job duties on a temporary basis for at least twelve (12) months in the same ministry within forty (40) kilometres of the surplus employee’s headquarters. The Employer will identify, in reverse order of seniority, a less senior employee in the class with the maximum salary closest to but not greater than the maximum salary of the surplus employee’s current classification. The identified employee shall be displaced by the surplus employee provided the employee is qualified to perform the work.

20.4.1.6 Failing displacement under Articles 20.4.1.2, 20.4.1.3, 20.4.1.4 or 20.4.1.5 above, if the employee requests, the Employer will repeat the steps specified
in Articles 20.4.1.2, 20.4.1.3, 20.4.1.4 and 20.4.1.5 with respect to positions beyond a forty (40) kilometre radius of their headquarters. No relocation expenses will be paid.

20.4.1.7 Failing displacement under Article 20.4.1.2, 20.4.1.3, 20.4.1.4, 20.4.1.5 or 20.4.1.6 above, the Employer will identify, in reverse order of seniority, a less senior employee who is:

(a) in another ministry; and

(b) whose headquarters is within a forty (40) kilometre radius of the displacing employee’s headquarters; and

(c) whose position the displacing employee previously held either on a full-time basis, or who performed the full range of job duties on a temporary basis for at least twelve (12) months in that ministry; and

(d) if the employee previously held more than one position in that ministry, the position with a maximum salary closest to but not greater than the maximum salary of the displacing employee’s current classification.

The identified employee shall be displaced provided the displacing employee is qualified to perform the work.

20.4.1.8 Upon the completion of five (5) months following commencement of the notice period, the Employer will advise the surplus employee of the position into which they are eligible to displace.

20.4.1.9 The surplus employee must indicate in writing to the Employer their intention to displace the employee identified pursuant to Articles 20.4.1.2, 20.4.1.3, 20.4.1.4, 20.4.1.5, 20.4.1.6, or 20.4.1.7 above, as applicable. Written intention to displace must be received by the Designated Human Resource Contact no later than one (1) week following the date the surplus employee received advice that they were eligible to displace an employee pursuant to Article 20.4.1.8 above.

20.4.1.10 An employee who does not indicate in writing to the Employer their intention to displace within the time period stipulated by Article 20.4.1.9 above shall be deemed to have given up their right to displace and opted for redeployment under Article 20.3 (Targeted Direct Assignment).

20.4.2 The first employee who is displaced by an employee exercising their right to displace under Article 20.4.1 will have displacement rights. The employee displaced by the first displaced employee will also have displacement rights but the employee they subsequently displace will not have any such right.

20.4.3 An employee who is displaced by an employee who exercises their
displacement right under Article 20.4 shall receive notice of lay-off or salary continuance, at the Employer’s discretion. The displaced employee’s notice period or salary continuance shall be for a six (6) month period.

20.4.4 Article 7.4 (Pay Administration) shall not apply where an employee displaces a less senior employee pursuant to Articles 20.4.1.4, 20.4.1.5, 20.4.1.6 or 20.4.1.7 above, save and except that Article 7.4 (Pay Administration) shall apply for the balance of the employee’s notice period only.

20.4.5 Except as provided in Article 20.4, employees who are displaced will have full access to the provisions of Article 20.

20.5 TUITION REIMBURSEMENT

20.5.1 On production of receipts from an approved educational program within twelve (12) months of layoff, an employee shall be reimbursed for tuition fees up to a maximum of three thousand dollars ($3,000.00).

20.5.2 Where an employee takes a program or course with the approval of the Employer, for the purpose of upgrading their employment-related skills, the Employer shall defray all or part of the tuition in accordance with the Employer’s normal policy.

20.5.3.1 The provisions of Article 20.5.3 shall only apply where an employee’s position has been identified for surplussing in connection with the transfer of bargaining unit work/functions such that either Appendix 14 (Successor Rights) or Appendix 9/18 applies, and only where Article 20.6 applies to such employees. Article 20.5.1 shall not apply to employees to which Article 20.5.3 applies.

20.5.3.2 On production of receipts from an approved educational program within twelve (12) months of layoff, an employee may be reimbursed for tuition fees up to a maximum of fifteen thousand dollars ($15,000.00). In the alternative, on production of an invoice from an approved educational program within twelve (12) months of layoff, the invoice for tuition fees will be paid directly to the institution up to a maximum of fifteen thousand dollars ($15,000.00). The Employer shall ensure such funds are advanced in a timely manner so that registration can be assured, and that such requests are not unreasonably denied.

20.5.3.3 The parties will confirm the period of length of any such education/retraining program, but agree that in no case will it extend beyond twelve (12) months from the date of approval from the Employer. This education/training time period shall not be counted for the purposes of the twenty-four (24) month recall period (Article 20.6.5(e)), and thereby can extend the recall period from twenty-four (24) months to up to thirty-six (36) months.
20.5.3.4 In the event the Employer makes an offer(s) to recall the employee at any point during education/retraining period, the employee may:

(i) elect to return to accept the offer and begin work before the completion of any remaining education/retraining period; or

(ii) elect to reject the recall offer because there is still time remaining in the education/retraining period and the employee wishes to complete the education/retraining. In this case, 20.6.5(d) (forfeit of recall rights if fail to accept appointment to position) shall not apply.

CAREER TRANSITION ALLOWANCE

20.5.4.1 If the employee does not elect to access the enhanced education/training entitlements set out above in 20.5.3.2, upon the expiry of the twenty-four (24) month recall period and exit from the Ontario Public Service, the employee will receive a career transition allowance of $15,000.00.

20.6 RECALL

20.6.1 A person who has been laid off is entitled to be assigned to a position that becomes vacant within twenty-four (24) months after their lay-off provided that:

(a) They identify in writing to the Designated Human Resources Contact on or before the closing date of the competition, the vacant position they should be recalled to under this Article; and

(b) the vacant position is in the same classification and ministry as their former position; and

(c) they are qualified to perform the required duties; and

(d) there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.6 or Article 20.3 (Targeted Direct Assignment).

20.6.2 Where a person who has been laid off is re-appointed under Article 20.6, they shall be re-appointed at a rate within the position’s salary range equivalent to the rate at which they were paid immediately prior to lay-off.

20.6.3 Employees who are laid off and subject to recall shall keep the Designated Human Resources Contact informed of any change of address and/or telephone numbers, and/or home email (if any). Such changes must be sent in writing or electronically.
20.6.4 Where a person who has been laid off is re-appointed to a position under Article 20.6, the Employer shall serve written notice of such re-appointment to the person to the last address filed with the Employer. Written notice of re-appointment shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer. Laid off employees re-appointed under Article 20.6 must accept the notice of recall and report for duty within the time limits stipulated below:

(a) the employee must accept the recall, in writing, within seven (7) days of receipt of written notice;

(b) an employee accepting recall shall report for duty within two (2) weeks of receiving written notice thereof, or on such other date specified in the notice.

20.6.5 A person shall lose their rights to recall pursuant to Article 20.6 upon the earlier of:

(a) the date they take termination pay pursuant to Article 53 or 78 (Termination Payments) of this Agreement; or

(b) the date they do not attend a recall interview when requested by the Employer; or

(c) having accepted an appointment in accordance with Article 20.6.1, they fail to report for duty on the date specified in Article 20.6.4(b); or

(d) the date they do not accept an appointment in accordance with Article 20.6.1; or

(e) twenty-four (24) months after the date of their lay-off.

20.6.6 A laid off employee who applies for a vacancy advertised in accordance with Article 6 (Posting and Filling of Vacancies or New Positions) and who is subsequently appointed to that position shall lose their rights to recall pursuant to Article 20.6.

20.7 VOLUNTARY EXIT OPTION

20.7.1 Subject to the conditions outlined in Article 20.7, an employee who has not received notice of lay-off may offer to be declared surplus and give up their job for possible redeployment of an employee who has received notice of lay-off provided the position meets the criteria set out in Article 20.3. No relocation expenses will be paid.

20.7.2 An employee shall advise the Designated Human Resources Contact, in
writing, of their desire to make an offer referred to in Article 20.7.1.

20.7.3 The position of an employee making an offer under Article 20.7.1 will be considered to be a vacancy for the targeted direct assignment of a surplus employee pursuant to Article 20.3 (Targeted Direct Assignment), provided the Employer determines the position will continue to be filled. All other considerations being equal, a surplus employee will be matched to the position of the voluntary exit option employee over assignment to a vacancy.

20.7.4 A non-surplus employee’s offer to be declared surplus will not be acted upon by the Employer until such time as a surplus employee is assigned to their position in accordance with Article 20.3 (Targeted Direct Assignment).

20.7.5 For purposes of Article 20.7, a surplus employee will be assigned to the non-surplus employee’s position only if they apply for and indicates on their application for the Voluntary Exit Option opportunity that they have received notice of layoff and are eligible for a targeted direct assignment, and provided they are able to perform the normal requirements of the position without training.

20.7.6 Voluntary Exit Option and Absence Due to Illness/Injury

(a) Where a non-surplus employee is absent on STSP and has applied for the voluntary exit option under Article 20.7 or wishes to apply for it, the employee’s job will be considered for matching to a surplus employee throughout the period of absence. The volunteer’s employment and STSP benefits will be terminated and they will be eligible for voluntary exit payments on the date when a surplus employee has reported for duty after being assigned to the volunteer’s job.

(b) Where a non-surplus employee has applied or wishes to apply for the voluntary exit option and is absent on LTIP or WSIB, their application shall be considered “inactive” until such time as they are able to return to work. A voluntary exit job will not be considered for matching to a surplus employee while its incumbent is absent on LTIP or WSIB.

20.7.7 Voluntary Exit Option and Absence Due to Leave of Absence

Where a non-surplus employee is away on an approved leave of absence other than due to illness/injury, they may apply for the voluntary exit option. The employee’s job will be considered for matching to a surplus employee while on an approved leave. If a surplus employee is assigned to the volunteer’s job, the volunteer’s employment and leave of absence will be terminated on the date the surplus employee reports for duty and the volunteer will be eligible for voluntary exit payments.
20.7.8 Voluntary Exit Option and Absence Due to Temporary Assignment

Where a non-surplus employee is on a temporary assignment, they may apply for the voluntary exit option. The volunteer’s home job will be considered for matching to a surplus employee while on the temporary assignment. If a surplus employee is assigned to the volunteer’s job while they are on a temporary assignment, the manager of that temporary assignment will decide whether the volunteer will exit immediately or complete the temporary assignment before exiting with voluntary exit payments.

20.7.9 Notwithstanding anything in any other provision of Article 20, the rights specified in Article 20.7 shall be exercised before any displacement or redeployment rights.

20.7.10 A person who has offered to be declared surplus pursuant to Article 20.7 will, if otherwise qualified, be entitled to the provisions of Paragraph 4 of Appendix 9 (Employment Stability). If more than one surplus employee is deemed qualified for the targeted direct assignment to a single volunteer’s position, the most senior surplus employee will take over the volunteer’s job.

20.8 TEMPORARY VACANCIES

20.8.1 Surplus employees shall be eligible for assignment into temporary assignments of at least six (6) months in their own ministry that are posted for recruitment in accordance with Article 8 in the last two (2) months of their notice provided that:

(a) the employee applies for and indicates on their application for the vacancy that they have received notice of layoff and are eligible for a temporary assignment; and

(b) the employee meets the entry level qualifications for the position.

Such assignments are meant to provide additional employment opportunities for surplus employees prior to lay-off. Where more than one surplus employee matches the temporary assignment, the employee with greater seniority shall be offered the temporary assignment. It is understood that such assignment of a surplus employee to a temporary vacancy has priority over Article 8 (Temporary Assignments).

20.8.2 A surplus employee shall retain their status in the Regular Service and current salary entitlements while placed in a temporary assignment. Placement in a temporary assignment will not constitute a promotion for pay purposes. Subject to Article 20.8.1, for placement into temporary assignments, the employer shall use the same criteria and rules as for assignment into vacancies under Article 20.3 (Targeted Direct Assignment).
20.8.3 An offer of a temporary assignment to a surplus employee must be in writing and must specify the duration of the temporary assignment. The surplus employee shall have five (5) working days in which to accept or reject the offer of a temporary assignment.

20.8.4 The original temporary assignment may be extended by a maximum of three (3) months.

20.8.5 When a temporary assignment takes place, the employee shall not be unreasonably denied the opportunity to complete any portion of training already underway. Surplus employees who refuse a temporary assignment shall continue to be considered for assignment into permanent vacancies for the duration of their surplus notice period, but not for further temporary assignments.

20.8.6 Where an employee accepts a temporary assignment or secondment under Article 20.8, it shall be considered to be a hiatus in their notice period under Article 20.2 for the duration of their temporary assignment and all redeployment activities shall cease. Notwithstanding this hiatus, the employee may continue to identify and be considered for vacancies under Article 20.3. At the end of the temporary assignment or secondment, the balance of the notice period, as well as all redeployment activities, shall resume.

20.9 ATTRITION

20.9.1 It is understood that attrition can be used effectively as a redeployment strategy. The Employer agrees that, wherever possible, it will utilize attrition as a means of reducing the workforce.

20.10 VOLUNTARY LEAVES

20.10.1 In the spirit of co-operative attempts to create training and employment opportunities, the parties agree to the following full-time unpaid leaves, which will be advertised widely to employees and granted subject to local operating requirements:

(a) Extended Educational Leave: The Employer agrees to provide extended education leave, without accumulation of credits, for periods of a minimum of one (1) school year;

(b) Family Leave: An employee at their option shall be entitled to a leave of absence, without accumulation of credits, of up to one (1) year for care of a dependent person.
20.11 CAREER TRANSITION SUPPORT

20.11.1 Surplus employees who do not take pay in lieu under Article 20.2.1.3 will be provided with transition support which shall include skills assessment, counselling and job search skills.

20.11.2 Time spent by the surplus employee in activities outlined in Article 20.11 shall be with pay and no loss of credits.

20.12 PROBATIONARY EMPLOYEES

20.12.1 The Employer will extend to probationary employees the benefit of the employment stability provisions found in this article, as follows:

(a) The probationary employee’s “seniority” shall be calculated from the first day of their probationary period, including any service which is credited to the employee pursuant to Article 31A.13.1 (fixed-term Employees).

(b) For the purposes of the application of Articles 20.2 (Notice and Pay in Lieu), 20.3 (Targeted Direct Assignment), 20.6 (Recall) and 20.7 (Voluntary Exit Option) to probationary employees, the probationary employee’s “continuous service” and “period of employment” shall be deemed to have commenced with their most recent actual period of employment.

(c) The provisions of Article 20.4 (Displacement) shall not be applied to probationary employees nor shall they have the benefit of any rights arising pursuant to Article 20.4.

20.12.2 Nothing in Article 20.12 shall be deemed to be a recognition of “seniority” or “continuous service” in probationary employees as those terms appear in Article 18 (Seniority).

20.13 TECHNOLOGICAL CHANGE

20.13.1 Where it is necessary to release an employee who has completed their probationary period, because of the introduction of technological change in equipment or methods of operation, at least three (3) months’ notice in advance of the change shall be given to the employee affected and to the Union. For greater certainty, it is understood that such notice shall not operate so as to extend any other notice to be given under this Agreement, and it may run concurrently with any such other notice.

20.13.2 The matter will then be referred to the MERC to discuss and to attempt to resolve the problem with relation to the reallocation and retraining of the affected employees with a view to minimizing the effects of the Employer
action required to be taken. The committee may refer to the BMERC items that have been discussed at this level but remain unresolved.

20.14 CONTINUANCE OF INSURED BENEFITS

20.14.1 Except as provided in Article 20.14, all benefits coverage under the Collective Agreement (Employee Benefits for Full-Time and Regular Part-Time Employees) will cease at the end of the month in which the employee is laid off or resigns, save and except coverage as provided under Article 36.3 or 64.3 (Insured Benefits Plans) and Article 40.5 or 68.7 (Dental Plan).

20.14.2 An employee who, pursuant to Article 20, is laid off or resigns and receives pay in lieu of notice may continue benefits coverage at their own expense, except for coverage under Article 44 (Short Term Sickness Plan) and Article 42 (Long Term Income Protection), for a period of twelve (12) months following lay-off or resignation by arranging to pay the full premiums, in advance, on a quarterly basis.

20.14.3 Failure by the employee to pay the premiums as specified in Article 20.14.2 will disentitle the employee to any further benefits under Article 20.14.

20.15 JOB REGISTRY SYSTEM

20.15.1 The parties agree that an OPS-wide job registry system shall be developed by the Employer and shared with the BMERC, to track all funded vacancies in the Regular Service as approved to be filled by the Employer. Such vacancies shall be reported by ministries to the Employer for inclusion in the registry. Names of surplus employees shall be reported by ministries to the Employer and the Union once an employee is given written notice of lay-off. Monitoring of the job registry and targeted direct assignment results will be reported to Management Board of Cabinet and BMERC by the Employer on a quarterly basis.

20.15.2 The parties agree that there will be a registry system for reporting the posted temporary vacancies that are approved to be filled and may be required to meet the Employer’s Article 20.8 (Temporary Vacancies) obligations. Such reporting of ministry vacancies will be reported to the union through the BMERC.

20.15.3 The Employer will maintain an electronic site of available vacancies and provide access to employees with Article 20 rights. The employees on recall shall be notified of any changes to the website address.

20.16 MONITORING AND REPORTING

20.16.1 There shall be central monitoring and reporting of vacancies with respect to the job registry and targeted direct assignment processes in accordance with
Article 20.15 (Job Registry System).

20.16.2 The Employer agrees to share job registry and redeployment data with the BMERC in a sortable format.

20.16.3 The BMERC may establish standards and norms governing the review of qualifications and assessment of surplus employees.

20.17 GENERAL

20.17.1 It is understood that when it is necessary to assign a surplus employee to a vacant position in accordance with Article 20.3 (Targeted Direct Assignment) or a temporary position in accordance with Article 20.8 (Temporary Assignment) or recall a laid off employee in accordance with Article 20.6 (Recall), the provisions of Article 6 (Posting and Filling of Vacancies or New Positions) except as modified to give effect to Article 20.3, 20.8 and 20.6 shall not apply.

20.18 PAYMENT OF MONIES

20.18.1 The Employer shall endeavour to phase in lump sum and severance payments over two (2) calendar years, if the employee so requests and if legislation permits.

20.18.2 Lump sum and severance payments shall be paid within six (6) weeks of the last day of work, unless the employee advises of their Article 20.18.1 request, prior to the last day of work.

ARTICLE 21 – DISCIPLINE AND DISMISSAL

(FXT, SE, RPT)

21.1 It is understood that the right of the Employer to discipline or dismiss employees shall be for just cause. The Employer’s right to discipline or dismiss is subject to the right of an employee to grieve such action.

21.2 For greater certainty, it is understood that nothing in Article 21.1 confers on a probationary employee any right to grieve or arbitrate their dismissal.
ARTICLE 22 – GRIEVANCE PROCEDURE
(FXT, SE, ST, RPT, GO)

22.1 It is the intent of this Agreement to adjust as quickly as possible any complaints or differences between the parties arising from the interpretation, application, administration or alleged contravention of this Agreement, including any question as to whether a matter is arbitrable.

22.1.1 If an employee has a complaint, the employee shall meet, where practical, and discuss it with the employee’s immediate supervisor in order to give the immediate supervisor an opportunity of adjusting the complaint.

FORMAL RESOLUTION STAGE

22.2 If the complaint or difference is not resolved at the local level an employee may file a grievance, in writing, through the Union, with their manager within thirty (30) days after the circumstances giving rise to the complaint have occurred or have come or ought reasonably to have come to the attention of the employee, who will in turn forward the grievance to the designated management representative.

22.3 The designated management representative shall hold a meeting with the employee within fifteen (15) days of the receipt of the grievance and shall give the grievor their decision in writing within seven (7) days of the meeting with a copy to the Union steward.

22.4 The employee, at their option, may be accompanied and represented by a Union representative at the Formal Resolution Stage of the grievance procedure.

22.5.1 An employee who is a grievor or complainant and who makes application, through the Union, for a hearing before the GSB or the Ontario Labour Relations Board (OLRB) shall be allowed leave of absence with no loss of pay and with no loss of credits, if required to be in attendance by the Board or Tribunal. Article 22.5.1 shall also apply to pre-hearings, mediation/arbitration or mediation under auspices of the GSB or OLRB.

22.5.2 An employee who has a grievance and is required to attend meetings at the Formal Resolution Stage of the grievance procedure shall be given time off with no loss of pay and with no loss of credits to attend such meetings.

22.5.3 Article 22.5.2 shall also apply to the Union Steward who is authorized to represent the grievor at the Formal Resolution Stage of the grievance procedure.

22.5.4 The Union shall advise the senior human resources representative for the
affected ministries with copies to the Director, Employee Relations Branch of the Union Stewards together with the areas they are authorized to represent, which list shall be updated at least every six (6) months. The ministry will advise the Union corporately when the senior human resources representative for the ministry changes.

22.6  REFERRAL TO ARBITRATION

22.6.1 If the grievor is not satisfied with the decision of the designated management representative or if they did not receive the decision within the specified time, the grievor may apply, through the Union, to the Grievance Settlement Board (GSB) for a hearing of the grievance within fifteen (15) days of the date they received the decision or within fifteen (15) days of the specified time limit for receiving the decision.

22.7  LAY-OFF

22.7.1 Where an employee files a grievance, through the Union, claiming improper lay-off and the grievance is referred to the GSB in accordance with Article 22.6, the Union shall notify the Employer, in writing, at least three (3) weeks prior to the date established for the Board’s hearing, of the title and location of the position which will be the subject matter of the claim before the Board.

22.8  DISMISSAL

22.8.1 Any probationary employee who is dismissed or released shall not be entitled to file a grievance.

22.8.2 Any employee other than a probationary employee who is dismissed shall be entitled to file a grievance, through the Union, at the Formal Resolution Stage of the grievance procedure provided they do so within thirty (30) days of the date of the dismissal.

22.9  INSURED BENEFITS GRIEVANCE

22.9.1 An allegation that the Employer has not provided an insured benefit that has been contracted for in this Agreement shall be pursued as a Union grievance filed under Article 22.13 (Union Grievance).

22.9.2 Any other complaint or difference shall be referred to the Claims Review Subcommittee of Joint Insurance Benefits Review Committee (JIBRC), established under Appendix 4 (Joint Insurance Benefits Review Committee), for resolution.

22.10  SEXUAL HARASSMENT

22.10.1 All employees covered by this Agreement have a right to freedom from
harassment in the workplace because of sex by their Employer or agent of the
Employer or by another employee. Harassment means engaging in a course
of vexatious comment or conduct that is known or ought reasonably to be
known to be unwelcome.

22.10.2 Every employee covered by this Collective Agreement has a right to be free from:

(a) a sexual solicitation or advance made by a person in a position to
confer, grant or deny a benefit or advancement to the employee where
the person making the solicitation or advance knows or ought
reasonably to know that it is unwelcome; or

(b) a reprisal or a threat of reprisal for the rejection of a sexual solicitation
or advance where the reprisal is made or threatened by a person in a
position to confer, grant or deny a benefit or advancement to the
employee.

22.10.3.1 The time limits set out in Article 22.2 do not apply to complaints under Article
22.10, provided that the complaint is made within a reasonable time of the
conduct complained of, having regard to all the circumstances.

22.10.3.2 Where, at any time either before the making of a complaint or the filing of a
grievance under Article 22, the Employer establishes an investigation of the
complaint, or the employee agrees to the establishment of such an
investigation, pursuant to any staff relations policy or other procedure of the
Employer, the time limits for the processing of the complaint or grievance
under Article 22 shall be suspended until the employee is given notice in
writing of the results of the investigation, which shall be completed within
ninety (90) days or less, which time limits may be extended by mutual
consent.

22.10.3.3 Where a complaint under Article 22.10 is made against an employee’s
supervisor, or any person with supervisory responsibilities at a higher level
over the employee, any oral complaint which is expressed in Article 22 to be
presented to the supervisor may be presented directly to the senior human
resources representative or their designee, specifically assigned to deal with
complaints or grievances under this provision. It is agreed that the designee
assigned will not be a person who is the subject of the complaint giving rise
to the grievance.

22.10.4 Where it appears to the GSB that an employee who is a grievor under Article
22.10 has made a complaint under the Ontario Human Rights Code relating
to the conduct which is the subject of the grievance, the GSB may, as it sees
fit, adjourn the grievance, stay the grievance, or dismiss the grievance.

22.10.5 An employee who makes a complaint under Article 22.10 may be
accompanied and represented by a Union representative at the time of the
discussion of the complaint, at each stage of the grievance procedure, and in
the course of any investigation established by the Employer under any staff
relations policy.

22.11 GROUP GRIEVANCE

22.11.1 In the event that more than one (1) employee is directly affected by one
specific incident or circumstance and such employees would be entitled to
grieve, a group grievance shall be presented in writing by the Union signed
by such employees to the Director, Centre for Employee Relations at the
Formal Resolution Stage, within the time limits as specified in Article 22.2.
Up to three (3) grievors of the group shall be entitled to be present at all Stages
unless otherwise mutually agreed.

22.11.2 The consolidation of group grievances across several branches, departments
or ministries shall be discussed in accordance with the provisions of Article
22.17.

22.12 CLASSIFICATION

22.12.1 An employee who alleges that their position is improperly classified may
discuss their claim with their immediate supervisor at any time, provided that
such discussions shall not be taken into account in the application of the time
limits set out in Article 22. An employee, however, shall have the right to file
a grievance in accordance with the grievance procedure, specifying in their
grievance what classification they claim.

22.12.2 A classification grievance as provided in Article 22.12.1 which has not been
resolved by the end of the Formal Resolution Stage of this grievance
procedure may be referred to the Bi-Ministry Employee Relations Committee
(BMERG) provided in Article 16 (Local and Ministry Negotiations) of this
Agreement, for final resolution. Any grievances being referred to the
BMERC, must be forwarded to the Employer representatives of the
Committee, no later than one (1) month after the Employer’s response at the
Formal Resolution Stage. The BMERC may decide on any grievance referred
to it. Where the parties at the BMERC concur, their decision shall be binding
on the parties and any affected employee. Where the parties at the BMERC
do not concur, the matter shall remain unresolved unless and until
concurrence is reached.

22.12.3 The Employer upon written request either by the employee or by the Union
shall make available all information and provide copies of all documents
which are relevant to the grievance.
22.13 UNION GRIEVANCE

22.13.1 Where any difference between the Employer and the Union arises from the interpretation, application, administration or alleged contravention of the Agreement, the Union shall be entitled to file a grievance at the Formal Resolution Stage of the grievance procedure provided it does so within thirty (30) days following the occurrence or origination of the circumstances giving rise to the grievance.

22.13.2 Where the difference between the Employer and the Union involves more than one (1) ministry, the Union shall be entitled to file a grievance with the Director, Centre for Employee Relations provided it does so within sixty (60) days following the occurrence or origination of the circumstances giving rise to the grievance.

22.13.3 A submission of the grievance to the Director, Centre for Employee Relations under Article 22.13 shall be considered to be the Formal Resolution Stage for the purpose of Article 22. Union grievances shall be signed by the President or Vice-President. It is further agreed that no grievance processed under Article 22.13 shall be dealt with under the provisions of the mediation/arbitration referred to hereunder except with the mutual agreement of the parties.

22.14 GENERAL

22.14.1 Where a grievance is not processed within the time allowed or has not been processed by the employee or the Union within the time prescribed it shall be deemed to have been withdrawn.

22.14.2 In Article 22, “days” shall include all days exclusive of Saturdays, Sundays and designated holidays.

22.14.3 The time limits contained in Article 22 may be extended by agreement of the parties in writing.

22.14.4 The parties agree that principles of full disclosure of issues in dispute as alleged by a grievance advanced by the Union on behalf of a member or members, or the Union itself, and full disclosure of facts relied upon by management in a decision that is subject to a grievance, are key elements in amicable and expeditious dispute resolution processes.

22.14.5 The parties agree that at the earliest stage of the grievance procedure, either party upon request is entitled to receive from the other, full disclosure.

22.14.6 The GSB shall have no jurisdiction to alter, change, amend or enlarge any provision of the Collective Agreements.

(j) Effective January 1, 2015, and thereafter, the total monthly LTIP benefit payment under the plan shall be adjusted by an increase equal to those provided for under Article COR17.

70.2.2 The L.T.I.P. benefit to which an employee is entitled under Article 70.2.1 shall be reduced by the total of other disability or retirement benefits payable
under any other plan toward which the Employer makes a contribution except for Workplace Safety and Insurance benefits paid for an unrelated disability, and such benefits are payable until the earliest of recovery, death or the end of the month in which the employee reaches age sixty-five (65).

70.2.3 The L.T.I.P. benefits commence after a qualification period of six (6) months from the date the employee becomes totally disabled, unless the employee elects to continue to use accumulated attendance credits on a day-to-day basis after the six (6) month period.

70.2.4 Total disability means the continuous inability as the result of illness, mental disorder, or injury of the insured employee to perform the essential duties of their normal occupation during the qualification period, and during the first twenty-four (24) months of the benefit period; and thereafter during the balance of the benefit period, the inability of the employee to perform the essential duties of any gainful occupation for which the employee is reasonably fitted by education, training or experience.

70.3.1 The Employer will continue to make pension contributions as well as the normal portion of premium payments for the Dental Plan and for Supplementary Health and Hospital on behalf of the employee while the employee receives or is qualified to receive L.T.I.P. benefits under the plan, unless the employee is supplementing a Workplace Safety and Insurance award. For the purposes of Article 70.3, the “normal portion” of premium payments will be as described in Article 67.1.1 (Supplementary Health and Hospital Insurance) and Article 68.4 (Dental Plan).

70.3.2 For employees who, on or before December 31, 2015, are receiving or deemed eligible to receive L.T.I.P. benefits or who are making an application for L.T.I.P. benefits:

a) The employee must provide the Employer, by no later than January 1, 2016, with written confirmation from the OPSEU Pension Trust of the earliest date they will become eligible for an actuarially unreduced pension and the current amount of their credit in the OPSEU Pension Plan.

b) Notwithstanding Article 70.3.1 and effective January 1, 2016, where an employee has a minimum of thirty (30) years of credit in the OPSEU Pension Plan or is eligible to retire to an actuarially unreduced pension under the OPSEU Pension Plan, whichever is later, and where the employee does not retire, they shall pay the employee’s portion of pension contributions while the employee receives or is qualified to receive L.T.I.P. benefits under the plan.

70.3.3 For employees who make an application for L.T.I.P. benefits on January 1, 2016 or later:
a) The employee must provide the Employer, when making their application for L.T.I.P. benefits, with written confirmation from the OPSEU Pension Trust of the earliest date they will become eligible for an actuarially unreduced pension and the current amount of their credit in the OPSEU Pension Plan.

b) Notwithstanding Article 70.3.1, effective January 1, 2016, where an employee has a minimum of thirty (30) years of credit in the OPSEU Pension Plan or is eligible to retire to an actuarially unreduced pension under the OPSEU Pension Plan, whichever is later, and where the employee does not retire, they shall pay the employee’s portion of pension contributions while the employee receives or is qualified to receive L.T.I.P. benefits under the plan.

70.4 A record of employment, if required in order to claim Employment Insurance sickness and disability benefits, will be granted to an employee and this document shall not be considered as termination of employment.

70.5 The L.T.I.P. coverage will terminate at the end of the calendar month in which an employee ceases to be a regular employee. If the employee is totally disabled on the date their insurance terminates, they shall continue to be insured for that disability.

70.6 If, within three (3) months after benefits from the L.T.I.P. plan have ceased, an employee has a recurrence of a disability due to the same or a related cause, the L.T.I.P. benefit approved for the original disability will be reinstated immediately.

70.7.1 Rehabilitative plans and programs for employees receiving L.T.I.P. benefits, whether with the OPS or another Employer, shall be required where recommended by the Carrier.

“Rehabilitative employment” is a rehabilitative plan or program and means remunerative employment while not yet fully recovered, following directly after the period of total disability for which benefits were received. When considering rehabilitative plans and programs, L.T.I.P. will take into account the employee’s training, education and experience. If a person does not participate or cooperate in a rehabilitation plan or program that has been recommended or approved by the Carrier, the employee will no longer be entitled to benefits. The rehabilitative benefit will be the monthly L.T.I.P. benefit less fifty percent (50%) of rehabilitative employment earnings. The benefit will continue during the rehabilitative employment period up to but not more than twenty-four (24) months.

70.7.2 Where a person does not participate or cooperate in a rehabilitation plan or program that has been recommended or approved by the Carrier and the
employee is no longer entitled to benefits, the employee will have the ability to file for an expedited review of the decision to end benefits directly to the Claims Review Subcommittee under Appendix 4 (Joint Insurance Benefits Review Committee) within 30 days of the decision to end benefits. The parties agree that such matters will be heard within 60 days by the Claims Review Subcommittee as per paragraph 6 (a) of Appendix 4, unless the parties mutually agree otherwise. This article applies to all ministries within the Correctional Bargaining Unit.

70.8 The L.T.I.P. benefits under rehabilitative employment shall be reduced when an employee’s total earnings exceed one hundred percent (100%) of their earnings as at the date of commencement of total disability.

70.9 Employees while on rehabilitative employment with the Ontario Government will earn vacation credits as set out in Article 72 (Vacations and Vacation Credits).

**ARTICLE 71 – SHORT TERM SICKNESS PLAN**

71.2 An employee who is unable to attend to their duties due to sickness or injury is entitled in each calendar year to leave of absence with pay as follows:

(a) at regular salary for the portion of six (6) days that the ratio of the employee’s weekly hours of work bear to full-time employment,

(b) at seventy-five percent (75%) of regular salary for an additional period of that portion of one hundred and twenty-four (124) days that the ratio of the employee’s weekly hours of work bear to full-time employment.

71.3 An employee is not entitled to leave of absence with pay under Article 71.1 until the employee has completed all of their regularly scheduled hours of work within a period of four (4) consecutive weeks.

71.4 An employee on a sick leave of absence which commences on a regularly scheduled working day in one (1) calendar year and continues to include a regularly scheduled working day in the following calendar year, is not entitled to leave of absence with pay under Article 71.1 for more than the number of days provided in Article 71.1 in the two (2) years until the employee has returned to work and again completed the service requirement described in Article 71.2.

71.5 An employee who has used the total number of days available under Article 71.1 in a calendar year must complete the service requirement described in Article 71.2 before the employee is entitled to further leave under Article 71.1
in the next calendar year.

71.6 The pay of an employee under this article is subject to deductions for insurance coverage and pension contributions that would be made from their regular weekly rate of pay. The Employer-paid portion of all payments and subsidies will continue to be made.

USE OF ACCUMULATED CREDITS

71.7 An employee on leave of absence under Article 71.1.1(b), Article 71.1.2(b) or Article 71.1.2(c) may, at their option, have sufficient credits deducted from their accumulated credits (attendance, vacation or overtime) to receive their regular weekly rate of pay.

71.8 An employee who is absent from their duties due to sickness or injury beyond the total number of days provided for in Article 71.1 shall have their accumulated attendance credits reduced by the number of days equal to such absence and the employee shall receive their regular weekly rate of pay for that period.

71.9 Article 71.7 does not apply to an employee when the employee qualifies for and elects to receive benefits under the Long Term Income Protection plan.

71.10 Where, for reasons of health, an employee is frequently absent or unable to perform their duties, the Employer may require them to submit to a medical examination at the expense of the Employer.

71.11 Where an employee’s absence caused by sickness exceeds a calendar week, no leave with pay shall be allowed unless a certificate of a legally qualified medical practitioner is forwarded to the employee’s manager, certifying that the employee is unable to attend to their official duties. Notwithstanding this provision, the employee’s manager may require an employee to submit a medical certificate for a period of absence of less than a calendar week.

71.12 Employees returning from Long Term Income Protection plan to resume employment must complete the service requirement described in Article 71.2 to qualify for benefits under the Short Term Sickness Plan.

71.13 For the purposes of this article the service requirement described in Article 71.2 shall not include vacation leave of absence or any leaves without pay, but days worked before and after such leave shall be considered consecutive. Notwithstanding the above, where an employee is unable to attend to their duties due to sickness or injury, the days worked before and after such absence shall not be considered consecutive.
ARTICLE 72 – VACATIONS AND VACATION CREDITS

72.1 Effective January 1, 1992, an employee shall earn a pro-rated portion of the vacation credits shown below based on the ratio that their weekly hours of work bear to full-time employment:

(a) One and one-quarter (1¼) days per month during the first eight (8) years of continuous service;

(b) One and two-thirds (1⅔) days per month after eight (8) years of continuous service;

(c) Two and one-twelfth (2 1⁄12) days per month after fifteen (15) years of continuous service;

(d) Two and one-half (2½) days per month after twenty-six (26) years of continuous service.

72.2 An employee is entitled to vacation credits under Article 72.1 in respect of a month or part thereof in which they are at work or on leave with pay.

72.3 An employee is not entitled to vacation credits under Article 72.1 in respect of a whole month in which they are absent from duty for any reason other than vacation leave of absence or leave of absence with pay.

72.4 An employee shall be credited with their vacation for a calendar year at the commencement of each calendar year.

72.5 An employee may accumulate vacation to a maximum of twice their annual accrual but shall be required to reduce their accumulation to a maximum of one (1) year’s accrual by December 31 of each year.

72.6 On commencing employment an employee shall be credited with pro rata vacation for the balance of the calendar year but shall not be permitted to take vacation until they have completed six (6) months of service.

72.7 An employee with over six (6) months of service may, with the approval of the Deputy Minister, take vacation to the extent of their vacation entitlement and their vacation credits shall be reduced by any such vacation taken. For this purpose, an employee may include any continuous employment as a regular part-time employee, or as a full-time employee, in the Public Service of Ontario immediately prior to their appointment to the Regular Service.

72.8 Where an employee has completed twenty-five (25) years of service, there shall be added to their accumulated vacation, on that occasion only, that portion of five (5) days’ vacation represented by the ratio their weekly hours
of work bear to full-time employment.

72.9 An employee who completes twenty-five (25) years of service on or before the last day of the month in which they become sixty-four (64) years of age, is entitled to that portion of five (5) days pre-retirement leave with pay, represented by the ratio their weekly hours of work bear to full-time employment, at the beginning of the month following their sixty-fourth (64th) birthday.

72.10 Where an employee leaves the Regular Service prior to the completion of six (6) months’ service as computed in accordance with Article 72.7, they are entitled to vacation pay at the rate of four percent (4%) of total earnings paid during the period of their employment.

72.11 An employee who has completed six (6) or more months of service shall be paid for any earned and unused vacation standing to their credit at the date they cease to be an employee, or, at the date the employee qualifies for payments under the Long Term Income Protection plan as defined under Article 70 and any salary paid for unearned vacation used up to that time shall be recovered by the Employer from any monies owing to that employee.

72.12 An employee’s service shall not include any period when they are on leave of absence without pay for more than thirty (30) days or a period which constitutes a hiatus in service, i.e.:

(a) Political Activity (Public Service of Ontario Act) (P.S.O.A), Part V
(b) Lay-off (Article 62 – Employment Stability)
(c) Educational Leave (Public Service Commission Key Directive on HR Administration – sections 14 and 15).

72.13 An employee who has completed their probationary period shall, upon giving at least two (2) months’ written notice, receive before commencing vacation, an advance against the pay cheques that fall due during the vacation period, based upon the following conditions:

(a) such an advance shall be provided only where the employee takes at least two (2) consecutive weeks’ vacation;
(b) such an advance shall be in an amount equal to the employee’s lowest net regular pay cheque in the two (2) month period immediately preceding commencement of their vacation leave, and rounded to the closest ten dollars ($10) below such net amount;
(c) where more than two (2) pay cheques are due and payable during the
vacation period, in no case will the advance exceed twice the amount set out in (b) above.

Any additional amount due the employee as a result of the application of (b) and (c) above will be paid to the employee in the normal manner.

73.1.2 An employee shall be compensated for each of the holidays to which they are entitled under Article 73.1.1. The compensation shall be equivalent to that of their regularly scheduled working day, but shall not exceed seven and one-quarter (7¼) or eight (8) hours, as applicable.

73.2 When an employee works on a holiday listed in Article 73.1.1, in addition to any compensation to which they may be entitled under Article 73.1.2, the employee shall be paid at the rate of two (2) times the basic hourly rate for all hours worked with a minimum credit of the number of hours in their regularly scheduled working day. This Article 73.2 does not apply to employees in classifications assigned to Schedule 6.

76.3.3 Notwithstanding Article 76.3.2(a) and (b), where an employee assigned to a vacancy in accordance with Article 60.4.2 (Health and Safety and Video Display Terminals) is eligible to receive an allowance under this article, and the salary rate they were receiving on the last day worked prior to the pregnancy leave is less than the salary rate they were receiving on the last day worked prior to the assignment, the allowance shall be based on the actual weekly rate of pay for their classification which they were receiving on the last day worked prior to the assignment.

76.4 Notwithstanding Article 64.2 (Insured Benefits Plans – General), an employee on pregnancy leave shall have their benefits coverage continued unless the employee elects in writing not to do so.

76.5 An employee on pregnancy leave is entitled, upon application in writing at least two (2) weeks prior to the expiry of the leave, to a leave of absence without pay but with accumulation of credits for not more than thirty-five (35) weeks.    (1) death,
   (2) retirement pursuant to,
      (a) Articles 8.4, 8.6, 9, 10.1, 10.2, 10.3 or 17 of the OPSEU Pension Plan and who is found by the OPSEU Pension Trust to be unable to perform their duties by reason of mental or physical incapacity and whose service is terminated in circumstances under which the employee is not entitled to a disability pension; or
   (3) dismissal for certain reasons under section 39 of the P.S.O.A., or
   (4) resignation during the surplus notice period; or

(b) five (5) years service and who ceases to be an employee for any reason other than:
   (1) dismissal for cause under section 34 of the P.S.O.A., or
   (2) abandonment of position under section 42 of the P.S.O.A.

is entitled to severance pay equal to that portion of a week’s pay represented by the ratio of their weekly hours of work to full-time employment, for each year of continuous service.

78.1.2 Notwithstanding Article 78.1.1, an employee who voluntarily resigns is only entitled to termination payments for services accrued up to December 31, 2008.

78.1.3 Notwithstanding Article 78.1.1 an employee appointed on or after January 1, 2013 is not entitled to termination payments as provided for in this article where the employee retires under the OPSEU Pension Plan.

For clarity, this does not apply to a fixed term employee who on or after January 1, 2013 is appointed to the regular service, where that regular employee’s continuous service will include any fixed term service accumulated on or before January 1, 2013.

78.1.4 Notwithstanding Article 78.1.1, an employee who retires under the OPSEU Pension Plan will only be entitled to termination payments for service accrued up to December 31, 2016. The termination pay will be based on the rate the employee was being compensated at on December 31, 2016.

78.2.1 The total of the amount paid to an employee in respect of severance pay shall not exceed one-half (½) of the annual full-time salary of the employee at the date when they cease to be an employee.
The calculation of severance pay of an employee shall be based on the annual salary of the employee as though they were employed full-time at the date when they cease to be an employee.

Where a computation for severance pay involves a part of a year of the total period under consideration, the computation of that part shall be made on a monthly basis, and,

(a) any part of a month that is less than fifteen (15) days shall be disregarded; and

(b) any part of a month that is fifteen (15) or more days shall be deemed to be a month.

For purposes of determining qualification for severance pay and the amount of severance pay to which an employee is entitled, an employee’s service shall not include any period when they are on leave of absence without pay for greater than thirty (30) days or for a period which constitutes a hiatus in their service, i.e.:

(a) Political Activity (P.S.O.A., Part V)

(b) Lay-off (Article 62 – Employment Stability)

(c) Educational Leave (Public Service Commission Key Directive on HR Administration – sections 14 and 15).

An employee may receive only one (1) termination payment for a given period of service.

Notwithstanding Article 78.4, an employee who has been released in accordance with Article 62 (Employment Stability) and who is subsequently re-appointed within two (2) years may, at their option, repay any termination payments received under this article to the Minister of Finance, and, thereby, restore termination pay entitlements for the period of service represented by the payment.

An employee, when they cease to be an employee, shall have any accrued severance pay entitlements from their service when covered under Employee Benefits of the Collective Agreement calculated on the basis of their salary as though the employee was employed full-time.

In a case where an employee leaves employment with the Employer and acquires a job with a Crown Agency, the Employer may pay out the termination pay immediately or, by arrangement with the Crown Agency, transfer liability for the termination pay to the Crown Agency, in which case
such liability will be assumed by the Crown Agency and the Employer will be relieved from any further obligation in this regard, save and except that where the Crown Agency does not satisfy its obligation, the Employer shall do so.

This letter of understanding forms part of the collective agreement.

Re: Use of Privately Owned Automobiles

Dear Mr. Darrow,

This letter will confirm the decision of Management Board of Cabinet that the use of privately owned automobiles on the Employer’s business is not a condition of employment.

On Behalf of
MANAGEMENT BOARD OF CABINET

W. J. Gorchinsky
Senior Staff Relations Officer
JOINT INSURANCE BENEFITS REVIEW COMMITTEE

Joint Insurance Benefits Review Committee

(1) Name of Committee

The Committee shall be referred to as the Joint Insurance Benefits Review Committee.

(2) Purpose of Committee

The purpose of this Committee is to facilitate communications between the Employer and the OPSEU on the subject of Group Insurance, including Basic Life Insurance, Supplementary Life Insurance, Extended Health Insurance, Long Term Income Protection Insurance, and such other negotiated benefits as may, from time to time, be included in the Group Insurance Plan.

It is understood that the Group Insurance benefits to be provided to employees and the cost sharing arrangements between the Employer and its employees shall be as set out in any applicable collective agreement or arbitration award, and the matters for consideration by this Committee shall be only as set out in these terms of reference.

(3) Composition of Committee

The Committee shall be composed of up to four (4) members from the Union, and may also include an OPSEU staff representative, and an equal number of representatives from the Employer. At meetings of the Committee, each party may be accompanied by an Actuary to provide technical advice and counsel.

Of the four (4) members from OPSEU on the JIBRC, a maximum of two (2) members shall be from the Correctional Bargaining Unit. For further clarity, one (1) member representing the Correctional Bargaining Unit will be from the Ministry of Children, Community, and Social Services (selected by the MCCSS MERC) and one (1) member will be from the Ministry of the Solicitor General (selected by the Ministry of the Solicitor General MERC).

(4) Duties of Committee

The duties of the Committee shall consist of the following:

(i) Development of the specifications for the public tendering of any negotiated benefits which may be included in the Group Insurance Plan (to cover the
bargaining unit only);

(ii) Determination of the manner in which the specifications will be made available for public tendering;

(iii) Consideration and examination of all tenders submitted in response to the specifications for tender and preparation of a report thereon;

(iv) Recommendation to the Government of Ontario on the selection of the insurance carrier or carriers to underwrite the Group Insurance Plans;

(v) Review of the semi-annual financial reports on the Group Insurance Plan; and

(vi) Review of contentious claims and recommendations thereon, when such claim problems have not been resolved through the existing administrative procedures.

The specifications for tender will describe the benefits to be provided, the cost sharing arrangement between the Employer and its employees, the past financial history of the insurance plans, the employee data, the format for the retention illustration for each coverage and the financial reporting requirements. Tenders shall be entertained by the Committee from any individual insurance carrier acting solely on its own behalf. This shall not preclude such carrier from arranging reinsurance as may be necessary.

The basis for recommendation of an insurance carrier(s) will include the ability of the carrier(s) to underwrite the plan, compliance of the carrier’s quotation with the specifications for tender, the carrier’s service capabilities and the expected long term net cost of the benefits to be provided.

(5) **Experience Review**

The Committee will also meet every six (6) months to review the financial experience under these coverages. The specifications for tender will describe the information to be included in the semi-annual financial statements to be prepared by the insurance carrier(s). These statements will include paid premiums, paid claims, changes in reserve requirements for open and for unreported claims, incurred claims, the retention elements of commissions, taxes, administrative expenses, contingency reserve charges and interest credits on claim and other reserves. The insurance carrier(s) will also be required to report on the level and method of administering the Employer’s and employees’ deposit accounts.

The Committee shall request the insurance carrier(s) to provide such additional information for the Committee’s consideration as may be required by either the Employer or the OPSEU.

If the Joint Insurance Benefits Review Committee fails to agree on a recommendation
to the Government of Ontario on the selection of the insurance carrier(s) to underwrite
the group insurance plan, the members of the said Committee nominated by the
Employer and the OPSEU may each make a recommendation in writing to the
Government of Ontario on the selection of the insurance carrier(s) supported by
reasons for their respective recommendations.

It is understood that the Government at all times retains the right to select whatever
carrier(s) (to underwrite the Group Insurance Plan) it may consider would best serve
the “public interest” and, in so doing, is under no obligation to select a carrier(s) that
may be recommended by the Joint Insurance Benefits Review Committee.

(6) **Claims Review Subcommittee**

(a) There shall be a subcommittee whose mandate is to review, and make
decisions on, complaints or differences involving the denial of insured
benefits under the Collective Agreement, when such issues have not been
resolved through the existing administrative procedures, save and except a
complaint or difference arising under Article 22.9.1 (Insured Benefits
Grievance) of the Central Collective Agreement. The subcommittee shall be
composed of two (2) representatives selected by the Employer, two (2)
representatives selected by OPSEU, and an independent third party who is
agreed to by both parties.

(b) Appropriate impartial medical consultants shall be available to the
subcommittee in an advisory capacity to provide information on the nature of
specific illnesses or disabilities.

(c) Membership on the subcommittee shall be for a one (1) year period, and is
renewable at the discretion of the nominating party, or parties in the case of
the renewal of the term of the independent third party.

(d) Decisions of the subcommittee are final and binding.

(e) The fees and expenses of the medical consultants referred to in clause (b), and
the independent third party referred to in clause (a), shall be divided equally
between the Employer and the Union.
TO: 

(Name of insurance carrier for benefit claimed)

THIS SHALL BE YOUR AUTHORITY to deliver immediately to the Employer, in care of Ministry of Government Services and to the Ontario Public Service Employees Union, a copy of each and every medical report prepared by or under the authority of a medical practitioner, and a copy of each and every document or other material, in any format, prepared by any person, in your possession in connection with my claim dated _________ for (specify benefit claimed) during my employment with the Ontario Public Service.

I understand that this information and material may be used during this insured benefits appeal.

APPENDIX 8
Deleted April 1, 2019
Ms. Gissel Yanez  
OPS Negotiator, OPSEU  
Ontario Public Service Employees Union  
100 Lesmill Road  
NORTH YORK, Ontario

Dear Ms. Yanez,

Re: Employment Stability

The Government is aware that its restructuring initiatives over the next two fiscal years (1996/97, 1997/98) could have a significant effect on employees, some of whom have served for a lengthy period. Accordingly, commencing with the ratification of the collective agreement and ending on December 31, 2021, the Employer undertakes the following:

1. (a) The Employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sectors, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority. When an employee has been transferred to a new employer, they will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

   (b) Where the salary of the job offered by the new employer is less than eighty-five percent (85%) of the employee’s current salary, or if the employee’s service or seniority are not carried over to the new employer, the employee may decline the offer. In such a case, the employee may exercise the rights prescribed by Article 20 (Employment Stability) and/or paragraphs 2 to 5 of this Appendix. The employee must elect whether or not to accept employment with the new employer within three (3) days of receiving an offer. In default of election, the employee shall be deemed to have accepted the offer.

2. (a) Employees who have been declared surplus may continue to accrue pension credits for the period represented by their Article 53 or 78 termination payment subject to the appropriate contributions by the Employer and the employee. This arrangement meets the requirements of the OPSEU Pension
Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval. This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

(b) In the alternative, employees who have been declared surplus may take a pension bridging option as a leave of absence without pay but with the continued accrual of pension credits, if the sum of:

(i) the six (6) month notice period;
(ii) the number of weeks of paid leave of absence that the employee’s termination payments can be converted into under the current provisions of Articles 53 or 78 (excluding attendance credits); plus
(iii) a maximum of two (2) years leave of absence without pay, but with continued accrual of pension credits,

would bring the employee to the next earliest date on which they could exercise an actuarially unreduced pension option under the OPSEU Pension Plan.

For any specific individual, the maximum amount of leave that can be taken for the pension bridging option shall be calculated as follows:

(A1) determine the total amount of time from the date on which the employee receives the surplus notice that is needed for the individual to reach the next earliest of their actuarially unreduced pension options and, from that amount, subtract:

(i) the employee’s six (6) month notice period; and
(ii) the number of weeks of paid leave of absence that the employee’s termination payments can be converted into under the existing provisions of Article 53 or 78 (excluding attendance credits).

(B1) the remainder to the extent that it is no more than two (2) years, shall be available as a leave of absence without pay but with continued accrual of pension credits. During the leave without pay, employees may choose to purchase all benefits coverage with the exception of the Short-Term Sickness Plan and the Long Term Income Protection plan.

The leaves of absence shall commence before the conclusion of the employee’s six (6) month notice period and shall be taken as follows:

(A2) the unpaid leave of absence, the maximum of which is determined in accordance with (B1) above, shall be taken first. During this leave of absence, in lieu of the employee’s pension contributions being made directly from the employee, the employee’s right to enhanced severance under paragraph 4 of this letter shall be reduced by an equivalent amount, which the Employer shall pay into the pension plan and the Employer contributions shall also be paid.
into the pension plan;

(B2) the leave of absence with pay equal to the employee’s number of weeks of Article 53 or 78 termination payments shall be taken after the leave without pay in (A2) above. During this leave of absence the employee’s pension contributions shall be deducted from the employee’s bi-weekly payments;

(C2) at the conclusion of the leave of absence with pay the employee shall return to complete whatever portion of the six (6) month notice period remains. For greater certainty, the requirement to return may be satisfied by the use of vacation credits. At the end of this period, the employee:

(i) shall retire;
(ii) shall receive the enhanced severance, reduced by an amount equivalent to their pension contributions for the unpaid leave of absence; and
(iii) shall be entitled to exercise their right to an actuarially unreduced pension.

This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval.

This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

Surplus employees who choose any of these pension bridging options in (2) shall waive all rights to displacement, redeployment, pay in lieu and recall.

3. An employee who has reached Factor 80 on or before March 31, 1996, and did not retire within their Factor 80 window, shall, if declared surplus, be eligible to re-qualify under the Factor 80 program, provided the employee so elects in writing within thirty (30) days of receipt of notice of lay-off, and, where the employee so elects, the employee shall retire within the thirty (30) day period and all other rights under this agreement are forfeited, save and except Article 53 or 78 (Termination Pay). For the sake of clarity, it is agreed that an employee who is given an offer to accept employment with a new employer pursuant to paragraph 1, who is otherwise eligible to re-qualify under the Factor 80 program, shall be considered eligible to re-qualify as prescribed herein. The Plan Sponsors agree to take steps to amend the OPSEU Pension Plan in an expeditious manner to provide for the re-opening of the Factor 80 window for those employees described herein. This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval.

4. (a) Receipt of surplus notice on or before December 31, 2005:
Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 20A.2 (Notice and Pay in Lieu) will receive, in addition to their Article 53 or 78 termination payments, a further severance package of one (1) week’s salary for every completed year of continuous service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of paragraph 2 (a), will become entitled to receive an actuarially unreduced pension. Employees who are entitled to the amounts specified in Article 20A.3 (Separation Allowance) shall receive the greater of those amounts or the amount specified in this paragraph. (For the sake of clarity, it is understood that a person who resigns pursuant to Article 20A.3 (Separation Allowance) shall be considered to be laid off for the purpose of this paragraph.) This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

(b) Receipt of surplus on or after January 1, 2006:

Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 20.2 (Notice and Pay in Lieu) will receive, in addition to their Article 53 or 78 termination payments, a further severance package of one (1) week’s salary for every completed year of continuous service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of paragraph 2 (a), will become entitled to receive an actuarially unreduced pension. This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

5. Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.

Yours truly,

Matt Siple
Director, Negotiations Branch
Centre for Public Sector Labour Relations and Compensation

Dear Mr. Todd:

Re: OPSEU Pension Plan

This will confirm that, effective on ratification and during the term of the Collective Agreement, it is not the intention of the Employer to amend the OPSEU Pension Plan or any related documents. Where the Employer wishes to do so, it will negotiate any changes with the Union.

Appendix 12 – Student Wage Rates

1. This Memorandum of Agreement is based on negotiations held pursuant to Appendix 12 of the Collective Agreement between the parties, expiring December 31, 2021, and is subject to the definitions, principles and terms set out in the Collective Agreement.

2. This Memorandum of Agreement will become effective upon being signed by the parties. As per Appendix 12 of the Collective Agreement, this agreement will be presented to the BMERC so that recommendations can be appended into the Collective Agreement and implemented for the remaining period of the collective agreement.

3. The provisions of this Memorandum of Agreement will ensure that student wage rates are standardized across the Ontario Public Service for those covered by the Collective Agreement between the parties.

4. Students in post secondary Co-operative Programs will be paid a percentage of the entry level of the appropriate classification specified in the Collective Agreement, as follows:

5. Students in Special Employment Programs shall be paid as follows:

   October 1, 2017           $11.60

In the event that there is a legislated increase to the minimum wage in Ontario and students in Special Employment Programs have a minimum hourly rate of pay that falls below the minimum wage, students in Special Employment Programs will receive the new hourly rate of pay.

6. Students in the Ontario/Quebec Summer Student Job Exchange Program shall be paid the rate negotiated with OPSEU prior to negotiations between the Ontario and Quebec Governments as follows:

   February 1, 2005   $10.00

For greater clarity, this includes students backfilling a regular position during the incumbent’s leave of absence and students filling a vacant regular position for a limited duration.

9. This agreement will represent settlement of any claims and grievances respecting student wage rates, save and except the individual grievances currently on file.

Dated this 1st day of April 2019.

For OPSEU:  For the Employer:

________________________  __________________________
Appendix – A

Framework for Students Wage Rates

1. This framework will be submitted to the Joint System Sub-Committee for its use in developing a Student Job Evaluation System for all student positions to present to BMERC for agreement in accordance with Appendix 12 of the Collective Agreement expiring on December 31, 2021.

2. The primary factors underpinning the Student Job Evaluation System are Complexity, Skills/Knowledge and Supervision.

The Employer shall be guided by the factors prescribed by the Pay Equity Act in the development of the job evaluation system and shall adhere to all legislative requirements.

The provisions will also recognize the different skills levels required and types of employment opportunities for students in their employment within the Ontario Public Service.

LEVEL 1
Jobs under classification Level 1 will reflect work which is routine and limited in complexity. These jobs may require additional supervision (e.g., team lead) and do not require a special skill level.

LEVEL 2
Jobs classified at Level 2 will involve work that is more varied and complex in nature. The jobs typically require knowledge from a related area of study and an increased level of skills. These jobs require limited supervision as students are required to work independently. If the job requires a license or certificate (e.g., first aid certificate, equipment operator’s license/certificate), it is automatically assigned to classification level 2.

3. Rates for these two levels are:

Effective October 1, 2017:
Level 1 $11.60
Level 2 $12.45

Effective January 1, 2018:
Level 1 $14.00
Level 2 $14.85

In the event that there is a legislated increase to the minimum wage in Ontario and students at Level 1 have a minimum hourly rate of pay that falls below the minimum wage, students at Level 1 will receive the new hourly rate of pay.

Students at Level 2 rate of pay shall be adjusted to an amount that is $0.85 greater than the new Level 1 Student rate of pay.
4. It is understood that the job evaluation system and accompanying pay rates are not arbitrable, pursuant to the *Crown Employees Collective Bargaining Act*.

MEMORANDUM OF AGREEMENT

BETWEEN:

THE CROWN IN RIGHT OF ONTARIO
(Management Board of Cabinet)
“The Employer”

And

THE ONTARIO PUBLIC SERVICE EMPLOYEES UNION (OPSEU)
“The Union”

IN THE MATTER OF:

Successor Rights

WHEREAS the Government of Ontario has amended the Crown Employees Collective Bargaining Act, 1993 to restore Successor Rights for Ontario government employees and their Bargaining Agents;

THEREFORE the parties agree to the following terms:

A) Sale of a Business

1) The parties agree that if the Employer determines that there is a “sale of a business” as defined in the Labour Relations Act, 1995, section 69, this determination will trigger the application of this article.

2) Where the Employer determines that there is a sale of a business, it is agreed that:

   i. Appendices 9 and 18 of the Collective Agreement will not apply;

   ii. The obligations of the Employer to Ontario Public Service employees who are affected by the sale shall be modified as set out in Appendix “A”; and

   iii. Where the Employer determines that a transaction is a sale of a business, it shall indicate this in the request for proposal or the transfer agreement, whichever is applicable, and provide a copy of such
document to the Union.

B) Reasonable Efforts

3) Where there is a disposition or any other transfer by the Crown of bargaining unit functions or jobs pursuant to the Collective Agreement and the transfer does not constitute a sale of a business, the parties agree that the Appendices 9 and 18 of the Collective Agreement apply.

C) Dispute Resolution

4) Nothing in this agreement limits any rights that the Union may have to make an application to the Ontario Labour Relations Board.
APPENDIX “A” – OBLIGATIONS OF THE EMPLOYER TO EMPLOYEES AFFECTED BY THE SALE

Where a transaction is a sale of a business, the parties agree that the Employer shall have the following obligations to employees affected by the sale:

- The employment of employees who are transferred to the successor employer is not terminated or severed and the service and seniority of such employees shall be carried over to the successor employer. The Employer shall not be liable to any employees who are transferred to the successor employer for any payment of termination or severance pay, or any other entitlements or obligations under the Collective Agreement between the Employer and the Union. Notwithstanding the foregoing, the Employer shall provide such employees with payments, if any, in accordance with Article 53 or 78 accrued to employees with respect to employment up to the date of the transfer. Such payments under Articles 53 or 78 shall set off any future severance payments which may be owed by the successor employer to employees, in accordance with the Employment Standards Act.

- Affected employees who do not receive a job offer from the successor employer will be surplussed as a result of the sale subject to the terms of the Collective Agreement between the Employer and the Union.

- The Employer will provide notice of the date of the sale to affected employees. Employees who choose to resign within nine (9) months after having received this notice but before receiving a job offer from the successor employer will forfeit all rights under the Collective Agreement between the Employer and the Union.

- Public Servants who refuse a job offer with the successor employer will be entitled to termination pay under article 53 or 78 of the Collective Agreement but will forfeit all other rights under the Collective Agreement between the Employer and the Union.

Re: Fixed-Term Category of Employee

Dear Mr. Gould,

The Parties agree that it is mutually beneficial to promote a workplace that provides work stability, opportunity and a commitment to deliver quality public services. With this in mind, it is in our common interest to address labour relations issues in a manner that places the emphasis on creative problem solving that leads to mutually beneficial solutions. Given that the use of a temporary workforce is an issue of importance to the union and the parties have recently worked together to improve opportunities for temporary workers in the OPS, it is in our mutual best interest to continue constructive dialogues on this matter.

The Parties also agree on the importance of retaining and promoting a skilled and adaptable workforce. It is therefore agreed that individual MERCs will work cooperatively to explore opportunities that will reduce the use of fixed-term workers or transition fixed-term employees to the Regular Service. This will be achieved through a regular review of fixed-term usage and meaningful discussion that is aimed at identifying prospects for reducing the size of the fixed-term workforce.

In default of the election, the employee is deemed to be included in the RFP.

and

(ii) termination payments in accordance with Article 53 or 78

Upon receipt of surplus notice, employees who elected not to be included in the RFP will not be entitled to any other benefits or rights under the collective agreement or this agreement, effective the date they exit the OPS. Notwithstanding the generality of the foregoing, upon receipt of surplus notice, these employees will have no other rights under Article 20 except for Article 20.14 and Article 20.18. Employees electing in advance to not be included in the RFP will also receive a sum equal to $500.00 for the purpose of obtaining resume writing and career transition services.

5.3 For employees electing to be included in the RFP, the Employer shall include, in the RFP, the mandatory requirement that proponents must commit in their proposal to make job offers to all of the identified OPSEU regular employees. Such job offers shall be at a salary of at least eighty-five percent (85%) of the respective employee’s weekly salary at the time of the issuance of the RFP and recognize the service and seniority in the Ontario Public Service (OPS) of each employee for the purpose of qualification for vacation, benefits (except pension), layoff, job competition, severance and termination payments to the extent that they are provided in the proponent’s workplace. Any payments made under article 53 or 78 of the Collective Agreement shall be set off against any calculation of severance pay under a collective agreement or term of employment with the receiving employer in respect of OPS service. Such payments under Articles 53 and 78 may be set off against severance payments under the Employment Standards Act 2000 in accordance with that Act.

5.4 The parties agree the Employer will not be required to undertake Human Resource Incentive Fund (HRIF) negotiations with, or to provide any additional incentive funds to the receiving Employer or to include any HR Factor as a rated requirement in the evaluation of proposals for the purpose of improving the job offers made by the receiving Employer.

5.5 Employees included in the RFP and who do not accept a job offer under this provision will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

5.6 Employees who accept a job offer in accordance with Article 5.3 with a receiving employer will be deemed to have resigned effective the date they commence employment with the receiving employer, and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

5.7 The parties agree that the Employer’s compliance with the provisions of
Article 5 meets its obligations under Appendix 9 paragraphs 1, 4 and 5 for the transfers listed in Schedule A.

6.0 Schedule B Transfers – Negotiated Transfer

6.1.1 For all Schedule B transfers, excluding those covered by Article 6.3, the employer will propose in negotiations with the receiving employer that job offers shall be at a salary of at least 100% of the respective employee’s weekly salary at the time of the transfer and recognize the service and seniority in the Ontario Public Service (OPS) of each employee for the purpose of qualification for vacation, benefits (except pension), layoff and job competition, severance and termination payments to the extent that they are provided in the proponent’s workplace or if none, the OPS. Any payments made under Article 53 or 78 of the Collective Agreement shall be set off against any calculation of severance pay under a collective agreement or term of employment with the receiving employer in respect of OPS service. Such payments under articles 53 and 78 may be set off against severance payments under the Employment Standards Act 2000 in accordance with that Act.

6.1.2 The Employer agrees that in any negotiations with the receiving employer it is to be understood that the employer will request that employees of the Crown who are transferred under Article 6.0 – Negotiated Transfers should not be required to serve a probationary period with the new employer.

6.2.1 In the event that a receiving employer does not fully agree to the request in article 6.1.1, including the matter of a probationary period, the employer may offer the receiving employer a financial incentive up to the amount that would have been payable as enhanced severance pay (calculated as provided in paragraph 4 of Appendix 9) to each employee affected by the transfer that the employer determines will be declared surplus, in order to secure or improve a job offer to the employee equivalent to a job offer as described in Article 6.1.1 above or to ensure where job offers are received from the receiving Employer for less than the full complement of employees identified by the Employer, that the receiving Employer offer employees jobs on the basis of seniority. The parties agree in no case will the employer be required to pay a financial incentive in excess of the maximum of enhanced severance for the affected employees.

6.2.2 The parties further agree that the employer is not required to enter into any discussions or negotiations with bargaining agents in the receiving employer’s workplace, nor is the employer required to offer any financial incentive either directly or indirectly through a receiving employer to a bargaining agent in the receiving employer’s workplace.

6.3 The parties agree that where there is an existing collective agreement(s) in the receiving employer’s workplace, under which employees accepting job offers
are to be included, the salary, terms and conditions of employment (with the exception of any agreement that may be reached with the receiving employer concerning probationary periods) contained in the receiving employer’s collective agreement(s) will apply to employees accepting job offers. Notwithstanding the foregoing, the Employer will negotiate wages and working conditions as per Article 6.1.1 for employees of a Psychiatric Hospital whose work is transferred to a public hospital pursuant to a recommendation of the Health Sector Restructuring Commission accepted by the Minister of Health.

6.4 Employees who accept a job offer in accordance with Article 6.1.1 with a receiving employer will be deemed to have resigned effective the date they commence employment with the new employer, and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

6.5 If an employee refuses a job offer which provides a salary of at least eighty-five percent (85%) of the respective employee’s weekly salary at the time of the transfer and recognizes the service and seniority in the Ontario Public Service (OPS) of each employee for the purpose of qualification for vacation, benefits (except pension), layoff, job competition, severance and termination payments to the extent that they are provided in the proponent’s workplace, the employee shall be deemed to have resigned effective the date of the transfer of their job and no other provision of the collective agreement will apply except for Article 53 or 78 (Termination Pay).

6.6 Where the salary of the job offered by the receiving employer is less than eighty-five percent (85%) of the employee’s current weekly salary, or if the employee’s service or seniority are not carried over to the receiving employer, the employee may decline the offer. In such a case, the employee may exercise the rights prescribed by Article 20 (Employment Stability) and/or paragraphs 2 to 5 of Appendix 9. The employee must elect whether or not to accept employment with the receiving employer within three (3) days of receiving an offer. In default of election, the employee shall be deemed to have accepted the offer.

6.7 The parties agree that the Employer’s compliance with the provisions of Article 6.0 meets its obligations under Appendix 9 paragraphs 1, 4 and 5, for the transfers listed in Schedule B.

6.8 In the event that the Employer fails to secure a waiver of a probationary period, any employee who accepts a job offer and is dismissed by a receiving employer during a probation period, will be reinstated and treated in the same manner as if they had not accepted an offer. No compensation will be payable for any reduction in wages and benefits received while in the employ of the receiving employer.
6C.0 Schedule C Transfers through Tendering (Service Restructuring)

6C.1 In respect to the transfer of bargaining unit functions or jobs as the result of Schedule C transfers, the employees that the Employer determines will be included in the Request for Proposal (RFP), will be notified not less than ten (10) working days prior to the release of the RFP that their jobs will be included in the RFP and provided the opportunity to elect in writing within five (5) working days of being notified, not to be included in the RFP. In default of the election, the employee is deemed to be included in the RFP.

6C.2 Employees Right to Opt Out of RFP

Employees who elect not to be included in the RFP will be declared surplus. The date of the surplus notice will be determined by the employer. Upon receipt of the surplus notice, the affected employee will exit the OPS immediately, these employees will receive only the benefits set out below:

(a) Receipt of surplus notice on or up to December 31, 2005
   (i) pay in lieu of notice in accordance with Article 20A.2 and

       or
       b) enhanced severance in accordance with paragraph 4 of Appendix 9
       and
   (ii) termination payments in accordance with Article 53 or 78.

   (i) pay in lieu of notice in accordance with Article 20.2
       and
       enhanced severance in accordance with paragraph 4 of Appendix 9
       and
   (ii) termination payments in accordance with Article 53 or 78

Upon receipt of surplus notice, employees who elected not to be included in the RFP will not be entitled to any other benefits or rights under the collective agreement or this agreement, effective the date they exit the OPS. Notwithstanding the generality of the foregoing, upon receipt of surplus notice, these employees will have no other rights under Article 20, except for Article 20.14, and Article 20.18. Employees electing in advance to not be included in the RFP will also receive a sum equal to five hundred ($500.00) for the purpose of obtaining resume writing and career transition services.

6C.3.1 For employees electing to be included in the RFP, the Employer shall include, in the RFP, the mandatory requirement that proponents must commit in their proposal to make job offers to the identified OPSEU regular employees for
100% of the positions, in the receiving employer’s workplace, which are created as a result of the RFP.

6C.3.2 If less employees elect to be included in the RFP than the full complement of positions created, the proponent must make job offers to all employees electing to be included in the RFP.

6C.3.3 If more employees elect to be included in the RFP, in accordance with Article 6C.1, than the full complement of positions created by the RFP, the proponent must make job offers on the basis of seniority. Employees may decline job offers in descending order of seniority until the number of persons who have declined job offers is equal to the difference between the number of employees in the RFP and the number of positions created by the RFP. These employees will be entitled to all rights and entitlements in Article 6C.2.

6C.3.3.1 Other employees who decline job offers to the extent that the full complement of positions created cannot be filled, will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

6C.3.4 Such job offers shall be at a salary of at least eighty-five percent (85%) of the respective employee’s weekly salary at the time of the issuance of the RFP and shall recognize the service and seniority in the Ontario Public Service (OPS) of each employee for the purpose of qualification for vacation, benefits (except pension), layoff, job competition, severance and termination payments to the extent that they are provided in the proponent’s workplace.

6C.3.5 Any payments made under article 53 or 78 of the Collective Agreement shall be set off against any calculation of severance pay under a collective agreement or term of employment with the receiving employer in respect of OPS service. Such payments under articles 53 and 78 may be set off against severance payments under the Employment Standards Act in accordance with that Act.

6C.4 The parties agree the Employer will not be required to undertake HRIF negotiations with, or to provide any additional incentive funds to the receiving Employer or to include any HR Factor as a rated requirement in the evaluation of proposals for the purpose of improving the job offers made by the receiving Employer.

6C.5 Employees included in the RFP and who do not accept a job offer under this provision, with the exception of employees covered by Article 6C.3.3, will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

6C.6 Employees who accept a job offer in accordance with Article 6C.3.4 with a receiving employer will be deemed to have resigned effective the date they
commence employment with the new employer, and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).

6C.7 The parties agree that the Employer’s compliance with the provisions of Article 6C.0 meets it’s obligations under Appendix 9 paragraphs 1, 4 and 5 for the Schedule C transfers.

7.0 Schedule D Transfers (Transfers not Included in Schedule A, B and C)

7.1 In respect to all other dispositions or transfers of bargaining unit jobs or functions involving transfers not included in Schedule A, B and C, occurring during the term of this Agreement, affected employees will be surplussed as a result of the transfer or disposition subject to the terms of the collective agreement. The date of the issuance of the surplus notice will be determined by the Employer.

7.2 The parties agree that the employer’s compliance with the provisions of Article 7.0 meets all obligations under Appendix 9 paragraphs 1,4 and 5 for the transfers not listed in Schedule A, B, or C.

8.0 Agreement and RFP Review

8.1 All disputes arising out of Article 5.0, 6.0 or 6C.0 must be determined pursuant to Article 8.0. Any other grievances under this agreement will go through the dispute resolution process in Article 4.2

8.2 When the Employer releases a tender under Schedule A or C, the Employer agrees that OPSEU will be provided with a copy of the RFP that the Ministry has released. If OPSEU believes that the tender is not in compliance with either Article 5.0 or Article 6C.0 as appropriate, OPSEU may refer the matter to mediation/arbitration and the matter must be resolved fifteen (15) days prior to the closing of the tender.

8.3 When the employer signs a transfer agreement with a hospital, municipality or other employer in respect to transfers under Schedule B, the employer agrees that OPSEU will be provided with a copy of the transfer agreement that the employer has signed with the municipality, hospital or other receiving employer. If OPSEU believes that the transfer agreement is not in compliance with Article 6.0, OPSEU may refer the matter to mediation/arbitration within a seven (7) calendar day time period and the matter must be resolved within that time period.

8.4 Arbitration – Placement of a transfer on a schedule
8.4.1 The Parties agree that the determination of the method and/or manner, and the quantity and timing of the transfer of any service to a service provider other than the Crown is at the discretion of the Employer and shall be deemed to be in accordance with Article 2.1 of the collective agreement.

8.4.2 The Parties agree that before the Employer places a transfer on Schedule D (Other Transfers), it will notify the Union of its intentions. If OPSEU disputes the placement of the transfer on Schedule D, then the following procedure will apply:

(i) OPSEU will have seven calendar (7) days after being notified to grieve and fully resolve the placement of the transfer on Schedule D (Other Transfers);

(ii) The sole criterion for placing a transfer of a function or work, from a specific program area, in Schedule D is whether, in the judgement of the Ministry based on operational needs, a single receiving employer would create less than eleven (11) full-time bargaining unit related jobs. The jobs must be created in the single receiving employer’s workplace, as a result of the transfer of the function or work, in the thirty (30) calendar day time period immediately following the transfer of the work. All of a receiving employer’s worksites within a single municipality shall be considered one workplace in Article 8.4.2 ii.

(iii) Where it is determined that the transfer should not have been placed on Schedule D, the employer can only be required to remove the transfer from Schedule D. The determination of which of the schedules (A, B, or C) the transfer will be moved to, will be made in accordance with paragraphs 8.4.1.

9.0 Remedy

The parties agree that in the event of an alleged violation of this agreement that the issue(s) in dispute shall be resolved through binding arbitration as defined elsewhere in this agreement. The parties agree that Arbitrator(s) deciding grievances related to paragraphs 1, 4 and 5 of Appendix 9 filed prior to this agreement should consider in addition to any other considerations, the interpretations of the employer’s obligations under paragraphs 1, 4 and 5 Appendix 9 provided by this agreement.

10.0 Term

The terms of this memorandum of agreement and the reasonable efforts obligations in Appendix 9 will continue until such time as the terms of the
next collective agreement cease to apply.

11.0 **Psychiatric Hospitals**

11.1 In order to ensure there are votes in appropriate circumstances and that OPSEU is on the ballot, the Employer will recommend to Cabinet that a regulation be passed by January 22, 1999 which will apply the Public Sector Labour Relations Transition Act 1997 pursuant to S.10 of that Act, when all or a substantial part of the work of the psychiatric hospital is transferred from the Crown to a public hospital where the employees doing that work would fall within the scope of a preexisting bargaining unit at the receiving hospital. The regulation will specify the transfer date as the changeover date and the public hospital and the Crown as predecessor employers.

11.2 If the aforementioned regulation is not passed by January 22, 1999, or an agreed extension, then this agreement is voidable at the union’s option.

Dated and signed at TORONTO, Ontario, this 20th day of January 1999.

FOR THE EMPLOYER FOR THE UNION
(The Crown in Right of Ontario) (OPSEU)

The parties agree to the following placement of transfers of Schedules A, B, C, and D. Future placements shall be determined in accordance with Articles 8.4.1 and 8.4.2

APPENDIX A

1. Public Hospitals which have received the transfer of all or a substantial part of a psychiatric hospital from the Crown.

2. Municipalities to which the Crown has transferred employees under this Agreement.
Preamble:

The Province of Ontario has introduced a Corporate Internship Program to support the goals of the Human Resource Strategy for the Ontario Public Service (OPS).

Each year, based on the needs of the organization, the Treasury Board Secretariat (TBS) will review and identify key skill areas where recruitment should be focused. Positions will be assigned to a specific occupational group where there is an identified skill shortage.

The internship program will provide each successful candidate with structured work experiences and learning opportunities through rotational assignments.

The internship program is not intended to adversely affect promotional, training and developmental opportunities of employees in the OPSEU bargaining unit.

The parties hereby agree as follows:

1. This agreement is intended to facilitate the implementation of the Corporate Internship Program within the OPS.

2. For the duration of this agreement the Crown will recruit for the Ontario Internship Program in total, up to one hundred and fifty (150) (with no obligation to reach this number) post secondary graduates each fiscal year. The nature of the work performed in the individual rotational assignment will determine whether the intern falls within the scope of OPSEU, AMAPCEO or Management/Excluded. For clarity, no more than twenty percent (20%) of the total one hundred and fifty (150) recruited for the Ontario Internship Program shall fall within the scope of the OPSEU Correctional Bargaining Unit.

3. Interns will be hired by TBS on fixed-term contracts for a period of up to two (2) years. Compensation will begin at the appropriate entry level rate for interns and
reflect the developmental and training nature of the rotational assignments. However, where the selected candidate is in the Regular Service, they may be assigned on a temporary assignment basis for a period of up to two (2) years while continuing to retain their Regular employment status. Despite any other articles related to temporary assignments and/or pay administration in the collective agreement, compensation for the intern temporary assignment will begin at the appropriate entry level rate for interns and reflect the developmental and training nature of the rotational assignments.

4. As training opportunities, the internship appointments will not be considered as vacant or new positions which otherwise require posting in accordance with the collective agreement.

5. The Parties agree that Article 31A.15 of the Collective Agreement does not apply to the internship assignments or interns.

6. Interns will be entitled to apply to restricted competitions for twelve (12) months after the expiry of their final contract with the Ontario Internship Program. It is understood that the positions posted will have previously cleared surplus.

7. Each year, the Employer will advise OPSEU of the internship assignments that the Employer has identified as being excluded from the bargaining unit. Where new assignments are considered, the Employer will advise OPSEU in a timely manner.

8. The Employer agrees to report the total number of interns to the Bi-Ministry Relations Committee (BMERC) quarterly.

9. The Employer agrees to consult with OPSEU through the Bi-Ministry Employee Relations Committee on issues which arise through the operation of the Corporate Internship Program.

10. Internship assignments will not:

1. Include the non-trivial work of an OPSEU employee in the work unit who has been designated surplus or an OPSEU position that has been abolished in a work unit within the preceding 24 months.

2. Be in work units under pre-notice of layoff under Article 20. When a pre-notice occurs within the work unit, any intern in the work unit will be reassigned.

3. Substitute for the recruitment of an OPSEU position.

4. Adversely affect direct assignment/recall opportunities of employees in the bargaining unit.

11.1 Disputes that arise respecting this agreement and the exclusion of internship assignments shall be resolved by mediation/arbitration in an expeditious and informal
manner without prejudice. The mediator/ arbitrator shall have all powers of an arbitrator under the Crown Employees Collective Bargaining Act.

11.2 The parties shall appoint a mediator / arbitrator from the following list:

   Ken Petryshyn
   Deborah Leighton

11.2.1 If the parties are unable to settle the dispute in mediation, the mediator/ arbitrator shall endeavour to assist the parties to agree upon the material facts in dispute and then shall determine the dispute by arbitration.

11.2.2 When determining the dispute, the mediator/arbitrator may limit the nature and the extent of evidence and submissions and may impose such conditions that the mediator/arbitrator considers appropriate.

11.2.3 The mediator/arbitrator shall be requested to make a decision within five days, but no later than ten (10) days after completing proceedings on the dispute submitted to arbitration.

11.3 The fees and expenses of the mediator/arbitrator shall be divided equally among the parties.

12. The term of this agreement shall continue from the date of signing until the expiry of the Collective Agreement.

Signed at Toronto, Ontario this 1st day of April, 2019.

Dear Ms Casselman:

Re: Innovation Fund

It is widely recognized that fostering a climate of innovation within an organization contributes to organizational health and can make for more rewarding careers for employees. In addition, employee experience is a significant resource for promoting better business solutions that respond to public need.

In recognition of this, I can confirm our advice during negotiations that the Employer will establish a program to foster innovation across the Ontario Public Service and to support, recognize and reward the effort of employees in the development of innovative solutions to the wide variety of operational issues and problems facing the OPS. To support the program, the employer will establish a fund to reward employees for matters such as:

a) the initiation, development and/or implementation of innovative workplace solutions that are of significant value to the Ontario Public Service;
b) the creation and advancement of workplace procedures and best practices that are of significant value to the Ontario Public Service;
c) other innovative developments of a similar nature.

As part of the program, a system of cash awards will be set up for this purpose, and it is understood that these will be available to employees throughout the OPS, including OPSEU-represented employees. It is agreed that the Employer will review the criteria for distributing the awards to OPSEU-represented employees with the Bi-Ministry Employee Relations Committee (BMERC), prior to implementation.

Yours truly,

Kevin Wilson

This will confirm that the parties will initiate discussions, as soon as possible after ratification, to set up a process regarding the potential conversion of part-time fixed-term employees to Regular Part-Time employee status. The parties will take into account the feasibility of such conversions, based on factors such as the regularity of working patterns, the scheduling needs of the Employer, the numbers of employees required, and similar factors.

Letter of Understanding

Ms. Gissel Yanez  
OPS Negotiator, OPSEU  
Ontario Public Service Employees Union

North York, Ontario

Re: Classification System

Dear Ms. Yanez,

This will confirm certain understandings reached during collective bargaining regarding the classification system.

Both parties recognize that the current classification system is outdated and requires revision. Previous attempts to design a new system have been unsuccessful, and it is recognized that any such undertaking, because of its size and complexity, must be addressed with a large measure of care, deliberation and commitment.

Both parties recognize that the OPS Pay Equity Plan must be maintained, and that all work should be valued on the basis of skill, effort, responsibility and working conditions.

With these principles in mind, the parties agree to the following:

Development and Testing

1. As soon as possible and not less than four months after ratification, the Employer shall retain a consultant to advise and assist in developing a work plan for the design, development and implementation of a gender-neutral new classification system for each bargaining unit, and develop two pay equity plans, one for each bargaining unit. Provided that the Union agrees to abide by the Employer’s procurement rules, the Union shall be entitled to have input into the selection of the Consultant. The parties shall attempt to come to consensus regarding the selection of the Consultant, failing which the Employer shall make the selection.

Joint Working Group (JWG)
2. Within one month of ratification, the parties will establish a Joint Working Group, consisting of three (3) persons appointed by each party, to:

   a. Provide input and recommendations into the design of the job evaluation systems (JES) and workplan;

   b. Review and identify job classes with a view to the definition of job class in the Pay Equity Act. The JWG shall make every effort to complete this work within four months of ratification;

   c. Identify benchmark jobs and develop a testing process with the Consultant;

   d. Review and provide input into job descriptions for the benchmark jobs prepared by the Employer;

   e. Review and test the systems recommended by the Consultant;

   f. Provide input into the customization of the systems based on the testing results;

   g. Assess methods of ensuring pay equity compliance, including a pay equity maintenance process.

3. It is understood that the joint working group shall not deal with any salary issues.

4. The parties shall attempt to reach consensus on the final design of the JES and will make every effort to complete the development and testing of the new systems within eight months of hiring the consultant.

5. The parties may agree to use a facilitator to assist the Joint Working Group in identifying, reviewing and addressing various issues.

6. Should the parties not reach consensus, either party may proceed with whatever steps are required to ensure compliance with the Pay Equity Act.

7. The Employer agrees to release two (2) employees in the bargaining unit for a period of up to twelve (12) months, with no loss of regular pay or credits, for the purpose of participation on the Joint Working Group. This period may be extended by mutual consent.

**Job Information Gathering and Job Evaluation**

8. After testing and customization of the systems, the Employer will prepare generic job descriptions from input gathered from a sample group of incumbents in benchmark job classes, to cover the work of each job class, and shall initiate the evaluation of jobs and job classes based on the new systems.
9. The Employer undertakes to make every effort to complete the development and evaluation of generic job descriptions for all job classes in the two bargaining units within the term of the Collective Agreement.

10. The parties shall first address pay equity requirements and shall then proceed to discuss the application of the JES to all job classes in the two bargaining units.

General

11. The following Pay Administration rule pertains only to employees moving from the current job classification system into the new job evaluation/classification system:
   - An employee whose current salary is above the maximum of the new salary range for their position shall maintain their current salary until the maximum of the new salary range exceeds their salary, at which time the employee is entitled to salary progression. For clarity the employee will not be entitled to receive across the board increases, if any, while their salary is above the new maximum of the new salary range.

12. Nothing in this agreement should be interpreted as management waiving its rights to manage the classification system. Similarly, nothing in this agreement should be interpreted as waiving the legal rights of the Union and employees.

Bi-Ministry Employee Relations Committee - BMERC

13. To assist in addressing the current backlog of classification grievances, the Employer will agree to release two (2) employees in the bargaining unit for a period of twelve (12) months, with no loss of regular pay or credits, for the purpose of assisting in having the current backlog dealt with by the BMERC. The parties undertake to expedite the consideration of all outstanding classification grievances by the BMERC as soon as possible and will cooperate to ensure that this is done.

To this end the committee will:

a. first review and finalize a list of all grievances received by the Employer up to the date of ratification, and group similar grievances together;

b. ensure grievances reviewed by the committee are valid classification grievances; grievances requiring changes to class standards or the job evaluation system as a remedy will be referred to the Joint Working Group of the Job Evaluation project and as such will be considered closed;

c. establish within thirty (30) days of the first meeting, a schedule for the review of all classification grievances for the finalized list for the backlog; to be reviewed within twelve months of the first meeting.
14. The parties agree to the appointment of Gerry Lee as a mediator to assist in expediting consideration of the outstanding disputes and in resolving them.

15. The parties agree to a moratorium on any new classification grievances or complaints during the term of the collective agreement.

8. The parties agree to implement the terms found in Appendix A IT Source Resource Pool and I&IT Enterprise Recruitment.

Appendix A

IT Source Resource Pool and I&IT Enterprise Recruitment

The Employer will be engaging in a substantial amount of recruitment for I and IT professionals within the I&IT enterprise;

Therefore, the parties consider the following terms to be appropriate for the establishment and operation of IT Source and the recruitment of I and IT professionals within the I&IT enterprise, which includes the Office of the Chief Information and Information Technology Officer and the IT clusters reporting to it, but does not include the program areas of the Ministries:

1. Purpose of IT Source

IT Source will manage a mobile pool of I and IT professionals who will be deployed to projects and assignments across the I&IT Enterprise across the province.

2. Deployment to Different Projects and Assignments

(a) It is understood that the employees employed by IT Source will be deployed to different projects and assignments located within different clusters, Ministries or branches throughout the OPS. For the purposes of the collective agreement, these positions will be deemed to be deployed on a province-wide basis.

(b) It is agreed that these deployments are assignments of work made at the discretion of the Employer and do not constitute vacancies under Article 6; temporary assignments under Article 8; change in headquarters under Article 11; temporary positions or assignments pursuant to article 20.3 or 20.8; or a relocation of a position under Appendix 13.
(c) Notwithstanding paragraph (b), if an assignment is of a sufficient duration, the Employer may determine if a change in headquarters is appropriate in the particular circumstances.

3. Managerial Direction

(a) I and IT professionals employed in IT Source will report to a Manager within IT Source.

(b) It is understood that the deployment to different projects and assignments may require the employee to receive direction regarding the project or assignment from a manager other than the employee’s manager within IT Source and that such manager may provide input into any performance evaluation for the employee.

4. Travel

(a) It is understood that it will be a condition of employment for all I and IT professionals employed in IT Source that they may be deployed to projects or assignments throughout Ontario.

(b) The parties agree that the Employer’s Travel, Meal and Hospitality Expenses Directive will apply to any travel required as a result of the deployment of the employee.

5. Mandatory Enhanced Security Clearance

It is understood that an enhanced security clearance may be required as a condition of employment for I and IT professionals employed in IT Source.

6. Posting and Filling vacant positions

It is agreed that all vacancies for positions within the I&IT enterprise, including IT Source, will be posted and filled in accordance with the provisions of Article 6, subject to the following:

(a) The Employer may use a mass centralized recruitment approach to fill vacancies for positions within the I&IT enterprise.

(b) With respect to vacancies set out in paragraph (a) above, in addition to the posting requirements under Article 6.1.1, 6.1.2 and 6.2, the Employer may post potential permanent and/or temporary opportunities within respective I&IT job families that may exist over the next 18-month time period. The posting shall state the duties, nature and title of the position(s), qualifications required, full or part time status, permanent or temporary status, bargaining unit status, hours of work schedule, salary ranges of the classifications within
the job family and travel expectations of the opportunities within that job family. The Employer shall have identified on the original posting that it may be used to fill positions in the job family that may occur over the 18 month time period, following the closing of the posting. The posting period will be for at least ten days prior to the established closing date. This closing date may be extended should the employer determine that there is an insufficient number of potential qualified candidates.

(c) If the Employer posts in accordance with paragraph (b), it will establish an eligibility list of qualified candidates for each classification level within each job family based on the results of a competitive process. The parties agree that the development of eligibility lists will be accordance with Articles 6.3.

(d) The Employer shall advise candidates of their individual rank order upon the completion of the competitive process under paragraph (b).

(e) The Employer will hire qualified candidates from the eligibility lists for each classification level within each job family developed under paragraph (b) in accordance with Article 6.1.2. Should the most qualified employee elect not to accept the job offer, that employee shall remain eligible and retain their rank for further offers under this process.

(f) The Employer shall obtain a valid surplus clearance number prior to filling a position under paragraph (e).

(g) Where the Employer posts in accordance with paragraph (b) and if no qualified applicants accept a job offer for a specific position made pursuant to this process, then the Employer shall provide new or existing candidates internal to the OPS with the opportunity to participate in a restricted competitive process. The process shall be held in accordance with Article 6 of the collective agreement, with the modification that the Employer shall post the vacancy for the position for a period of at least five (5) working days.

(h) The eligibility list shall be shared with the respective MERC chairs. The respective MERC chairs shall be notified when the Employer intends to go to the eligibility list to fill a vacancy.

(i) The Employer will only fill vacancies in those work locations on the original posting from the eligibility list. If an eligibility list is depleted in a work location and the Employer decides to fill any additional positions, it shall do so in accordance with the collective agreement.

(j) The parties can agree at any time to review the above process and mutually agree on amendments.

7. Training and Development
The parties agree to meet and discuss training and development opportunities for bargaining unit employees in I&IT.
LETTER OF UNDERSTANDING

It is agreed that:

a) In addition to the posting requirements under Article 6.1.1, 6.1.2 and 6.2, the Employer may post potential opportunities for permanent positions or temporary assignments that may arise during the next 18-month time period. The posting shall state the duties, nature and title of the position(s), qualifications required, full or part time status, permanent or temporary status, bargaining unit status, hours of work schedule, travel expectations/ work location(s) and salary range of the classification. The Employer will identify on the posting that it may be used to fill positions that occur during the 18-month time period, following the closing date of the posting. The posting shall state that candidates must indicate their work location preference, if applicable, in their application. The posting period will be for at least fifteen (15) working days prior to the established closing date. This closing date may be extended should the Employer determine that there is an insufficient number of potential qualified candidates.

b) The Employer will then establish an eligibility list of qualified candidates for each position based on the results of a competitive process. The parties agree that the development of eligibility lists will be in accordance with Article 6.3.

c) The Employer shall advise candidates of their individual rank order upon the completion of the competitive process under paragraph (b) and the Employer shall pull from the list in rank order.

d) If the Employer decides to fill any positions that it has elected to post under this Article, the Employer will make job offers to qualified candidates from the eligibility lists for each position in accordance with Article 6.1.2 and in accordance with the rank order set out in paragraph (c). If the most qualified employee offered a position rejects the Employer’s job offer they shall remain eligible and retain their rank for further offers.

e) The Employer shall obtain a valid surplus clearance number prior to filling a position under this process.

f) Where the Employer posts in accordance with this process and if no qualified candidate accepts a job offer for a position that the Employer decides to fill as a result of posting under this Article, then the Employer shall provide new or existing candidates internal to the OPS with the opportunity to participate in a restricted competitive process. The process shall be held in accordance with Article 6, with the modification that the Employer shall post the vacancy for the position for a period of

**i)** The parties can agree at any time to review the Mass Centralized Recruitment process and mutually agree on amendments.

This letter of understanding will expire on December 31, 2021, but should the parties not have reached a new collective agreement by that date, the letter shall continue to operate until a new collective agreement has been ratified.

APPENDIX 41
MINISTRY FILE REVIEW COMMITTEE
Deleted January 24, 2013
LETTER OF UNDERSTANDING

Flexible hours of work arrangements are defined as when the start and/or stop times for the employee are outside of a designated core period. Telework is an alternate work arrangement in which work that is traditionally conducted in the employee’s headquarters is performed at an alternate location which may include the employee’s home.

Whereas the parties agree that flexible hours of work arrangements and telework arrangements can be an effective method of assisting employees to balance work and personal responsibilities as well as achieving organizational objectives, the parties agree to the following:

1) Hours of work shall be arranged to best serve the convenience of the public and the achievement of operational needs.

2) The parties recognize that there may be instances where flexible hours of work arrangements and telework arrangements may not be a viable method of arranging schedules or work locations to meet operational requirements. Further, the parties agree that it is critical to, at a minimum, adhere to common service standards.

3) The Local Employee Relations Committees, Regional Employee Relations Committee or the Local Union in conjunction with the Employer where there is no LERC, may enter into a review process on the feasibility of incorporating flexible hours of work arrangements, including compressed work week, job sharing arrangements, and/or telework arrangements in the workplace.

4) Should the workplace not have a Local Employee Relations Committee, the Regional Employee Relations Committee may review the feasibility of incorporating a flexible hours of work arrangement and/or telework arrangements in the workplace.

5) When the employer cancels or amends a flexible hours of work arrangement or telework arrangement, they shall provide notice to the affected employee(s) in writing at least one (1) month prior to the cancellation or amendment.

6) The parties recognize that the Employer has the right to deny, alter or cancel flexible hours of work arrangements and telework arrangements. The Employer’s exercise of discretion pursuant to this letter shall not be grievable.

7) The model agreements with respect to flexible hours of work arrangements (Appendix A), group flexible hours of work arrangements (Appendix B), variable hours of work arrangements (Appendix C), telework (Appendix D), and job sharing (Appendix E) are set out in the Appendices.
8) No employee shall be required to telework. Notwithstanding this, employees currently in telework agreements may only terminate the arrangement pursuant to the terms of their agreement.

9) Notwithstanding paragraph 8 above, all telework arrangements automatically terminate on the release of a conciliation or “no board” report.

APPENDIX 45

UNION LEAVE BILLING COMMITTEE

Deleted January 24, 2013
TRANSITION EXIT INITIATIVE

MEMORANDUM OF AGREEMENT

Between

ONTARIO PUBLIC SERVICE EMPLOYEES UNION (OPSEU)
(“the Union”)

and

THE CROWN IN RIGHT OF ONTARIO as represented by the
TREASURY BOARD SECRETARIAT
(“the Employer”)

The parties have agreed to establish a Transition Exit Initiative (TEI) as follows:

1. All regular and regular part-time employees will be eligible to apply to a Transition Exit Initiative (TEI).

2. An employee may request in writing voluntary exit from employment with the OPS under the TEI, which request may be approved by the Employer in its sole discretion. The Employee’s request will be submitted to the Corporate Employer. The Employer’s approval shall be based on the following considerations:
   i. At the time that an employee TEI request is being considered, the Employer has plans to reduce positions in the OPSEU bargaining unit; and
   ii. The Employer has determined in its discretion that the employee’s exit from employment supports the transformation of the Ontario Public Service.
   iii. The Employer will consider whether employees are on the TEI list when making surplus decisions.

The Employer shall provide written confirmation of receipt of the employee’s request within 30 days with a copy to the Union. If the employee’s request is approved, the Employer shall provide written notification to the employee with a copy to the Union, and such notification shall include the job title, classification, Ministry and workplace of the employee. An employee may withdraw their request by written notice to the Corporate Employer.

3. If there is more than one employee eligible to exit under the TEI within the same workplace, the determination of who will exit under the TEI shall be based on seniority.
4. An employee who has received notice of Employer approval to exit under the TEI shall be deemed to have accepted one of the options as outlined in Paragraph 5.

5. An employee who exits from employment under the TEI will only be entitled to the following:
   i. A lump sum of six (6) months’ pay, plus one (1) week pay per year of continuous service; or
   ii. Continuance of salary plus benefits (except STSP and LTIP) for six (6) months commencing on the date set out in Paragraph 6, plus one (1) week pay per year of continuous service or its equivalent period of further salary continuance plus benefits (except STSP and LTIP). For clarity, during the salary continuance period, employee and Employer pension contributions and vacation and pension credits will continue to accrue. Notwithstanding the above, the further salary continuance period shall not be greater than the length of time between the commencement of the salary continuance and the end of the month in which the employee will attain sixty-five (65) years of age. Any remaining balance will be paid forthwith to the employee as a lump sum.
   iii. Where the employee does not choose a specific pay-in-lieu option, the employee shall be deemed to have chosen the lump sum option under 5(i).

6. In the event that an employee who exits the OPS under the TEI is reappointed to a position in the OPS within 24 months, the employee will repay to the Minister of Finance the six (6) month lump sum paid out under paragraph 5 above.

7. An employee who exits under the TEI and is re-appointed to any position in the OPS may elect to repay the TEI payment of one week per year of continuous service or its equivalent period of salary continuance, thereby restoring entitlement to termination payments under Article 53 or 78 (Termination Payments), as applicable, for the period of continuous service represented by the payment.

8. Where an employee is exiting under the TEI, their last day at work shall be five (5) working days after the notice of Employer approval to exit is received, or such other period as the employee and the Employer shall agree.

9. The payment under Paragraph 5 and any payout of unused vacation or compensating leave credits are payable as soon as possible, but not later than three (3) pay periods following the employee’s exit under the TEI.

10. Employees exiting under the TEI shall have the entitlements in Paragraph 5 in lieu of the entitlements in Article 53 or 78 (Termination Payments) and paragraph 4(b) of Appendix 9 (Employment Stability) of the Collective Agreement.

11. The parties agree that all employees exiting under the TEI are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly, the Employer agrees to take all necessary steps to attempt to ensure that the Human Resources and Skills
Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered ‘workforce reduction processes’ under the Employment Insurance Act.

12. The parties agree that at no time will the number of employees exiting under the TEI exceed the number of positions identified by the Employer to be reduced in the bargaining unit.

13. The parties recognize that the approval of exits from the Ontario Public Service under TEI is the exclusive right of the employer.

14. This MOA forms part of the collective agreement.

15. This Memorandum expires upon the expiry of the Collective Agreement.

Seniority and continuous service date calculations for an OPSEU member will be based on the respective collective agreement provisions.

2. Employment mobility between the Unified and Correctional Bargaining Units shall be maintained for posting and filling of vacancies, employment stability, health reassignment, pay administration and accommodation.

3. Any disputes with respect to the interpretation, application, or administration of this Memorandum of Agreement shall be referred to the Grievance Settlement Board for final resolution.

4. This Memorandum of Agreement shall be incorporated into the Unified and Correctional Collective Agreements as letters of understanding.

Signed in Toronto this 24th day of January, 2020
Schedule A
Averaging Of Hours Of Work

The number of hours of work per week prescribed shall be computed as a weekly average over one (1) year, where the duties of a regular employee require:

- that they work more than the number of hours per week prescribed at regularly recurring times of the year, or
- that the number of hours per week be normally irregular.

Averaging Period:

The averaging period for each class and/or position:

- will conform to the twelve (12) month calendar period which reflects the work cycle of that class and/or position, and
- will be reported to the bargaining agent.

Prorating:

Periods of employment of less than twelve (12) months in an averaging period (e.g., due to appointment, transfer, separation, etc.) will be prorated.

Hours Per Averaging Period:

The hours of work required shall correspond to a thirty-six and one-quarter (36¼) hour week or a forty (40) hour week averaged over the twelve (12) month calendar period.

Changes to Hours Per Averaging Period:

If at any time, a ministry requires a different hours base for a class or for a position within a class (e.g., equivalent of forty (40) hours per week instead of thirty-six and one-quarter (36¼) hours per week), the ministry must:

- alter the affected employees’ salaries proportionately, and
- notify the Corporate Labour Relations/Negotiations Secretariat, Ministry of Government Services, and the Union of any such changes.

Record of Hours Worked:

A record will be maintained for each employee affected showing a running total of hours
worked:
- on their regular working days, and
- during the averaging period.

**Excessive Buildup of Hours Worked:**

When an employee’s buildup of hours worked is becoming excessive, they:
- may be required to take time off on an hour-for-hour basis, in order to bring their hours accumulation into line with the hours requirement for the averaging period, and
- will be given reasonable notice, where circumstances permit, of any such time off.

**Calculation of Hourly Rate:**

In all cases, the basic hourly rate of pay for employees on averaging is to be determined by dividing the weekly rate of the class by thirty-six and one-quarter (36¼) or forty (40) as applicable, unless the basic hourly rate of pay already exists.

**Hours Worked Over Annual Requirement:**

At the end of the averaging period, any excess hours standing to the employee’s credit over and above the annual hours requirement will be considered as overtime.

Normally, the employee shall be paid for their overtime credits. Such payment shall be based on the basic hourly rate the employee was receiving on the last day of the averaging period. Compensating time off may be substituted for payment of overtime credits as follows:

(a) Where there is insufficient work for an employee to the extent that their presence is not required for a period of time, in which case:
- a ministry has the authority to direct that the employee take time off rather than receive pay for the overtime credits, and
- such time off must be taken commencing during the first month of the next averaging period;
  
  or

(b) In circumstances other than the above and where the employee and their supervisor mutually agree to compensating leave, in which case the time off will commence:
- within the first month of the next averaging period, or
- at an otherwise mutually satisfactory time.

**Hours Worked on Holidays or Other Than Regular Workdays:**

a) All hours worked on a holiday included under Article 47 (Holidays) of the Agreement shall be paid at the rate of two (2) times the basic hourly rate that the employee was receiving when the holiday was worked.
b) All hours worked on a day that is not a regular working day for the employee will be treated as overtime and based on the rate the employee was receiving when the overtime was worked.

Mr. B. Gould
Negotiator
Correctional Bargaining Unit
Ontario Public Service Employees Union

Dear Mr. Gould:

**Re: Probation Officers’ Allowance**

This will confirm that in recognition of the additional and flexible hours worked by Probation Officers within the Ministry of Community Safety and Correctional Services, and the Ministry of Children and Youth Services, the parties hereby agree to the following terms for Probation Officers Allowance, effective the date of ratification of this agreement:

Probation Officers in the Correctional Bargaining Unit will be entitled to a minimum of seven (7) days off with pay and no loss of credits in a calendar year.

This allowance will be prorated for periods of active employment of less than one (1) year and may be advanced to the employee on January 1st of each year.

An employee may accumulate their allowance to a maximum of twenty-one (21) days, but an employee’s allowance shall be reduced to a maximum of fourteen (14) days not later than the thirty-first (31st) day of December in each year.

An employee is not entitled to be paid for any accumulated allowance to which the employee remains entitled when the employee ceases to be an employee.

Additional time off with pay and with no loss of credits may be granted at the discretion of the manager of the employee concerned.

All time off under this allowance shall be granted in a manner so as not to interfere with operational requirements.
It is understood by the parties that this agreement will supersede any other pre-existing agreements on this subject; however, any time credits earned under a pre-existing agreement will be carried over to this agreement on a prorated basis, and be treated in accordance with the terms of this agreement.

Yours sincerely,

Linda Barber

ARTICLE 4 - MINISTRY EMPLOYEE RELATIONS COMMITTEE (MERC)

4.1 Composition

4.1.1 The Deputy Minister will nominate one (1) senior ministry official to represent the Ministry, and that person may nominate not more than four (4) other senior staff to assist him/her. The Union will designate not more than five (5) bargaining unit members who are ministry employees (one of whom shall be a Probation and Parole Officer representative and only one of whom shall be a representative of the bargaining unit members in the classifications identified in the January 23, 2018 Memorandum of Agreement between the Employer and OPSEU), plus one (1) Union staff representative, to represent the Union.

4.1.2 The Committee shall be co-chaired by Ministry and bargaining unit representatives.

4.1.3 Both sides will make every reasonable effort to ensure that their representatives reflect the major occupational groups of the Ministry.

4.1.4 With the prior agreement of both parties, either party may be accompanied by one or more persons to provide expertise and advice on specific items, or to act as observers or trainees.

4.1.5 On the Union side, for education purposes a local Union president or highest ranking local member other than and in addition to the Union team, may, by selection of the Union team, be in attendance at meetings.

4.2 Meetings

4.2.1 Meetings of the MERC shall be held not more frequently than once every two months. The places and times for such meetings shall be mutually agreed upon at least six months in advance of any meeting.

4.2.2 Notwithstanding Section 4.2.1, additional meetings may be requested in writing by either party, and held upon mutual consent.

4.3 Agenda and Minutes

4.3.1 Annotated agendas of reasonable length detailing issues in a clear and concise fashion will be exchanged by the parties at least two weeks prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees.

4.3.2 With mutual consent additional items may be added prior to, or at the meeting.

4.3.3 One set of minutes will be produced by the Ministry within fourteen days of each meeting. The minutes will reflect matters discussed and any agreement or disagreement on solutions proposed. Where a matter is deferred, the minutes will reflect which party
is responsible for follow-up.

4.3.4 The minutes will be signed by a responsible representative of each party authorizing them for distribution.

4.3.5 Issues resolved informally by the parties between formal ERC meetings may, subject to mutual agreement, be reflected in the subsequent set of minutes of employee relations committee meetings.

4.3.6 The minutes are not binding on either party nor are they subject to the grievance procedure.

4.4 Referral of Unresolved Matters

4.4.1 Matters, which are not resolved at the MERC, may be referred to the Deputy Minister in accordance with Article 16.3 of the Collective Agreement.

4.4.2 Matters not resolved under Article 16.3 of the Collective Agreement may be referred to the Bi-Ministry Employee Relations Committee.

ARTICLE 5 - LOCAL EMPLOYEE RELATIONS COMMITTEES (LERCs) AND REGIONAL EMPLOYEE RELATIONS COMMITTEES (RERCS)

5.1 Upon mutual consent, the parties will establish a LERC and/or RERC.

5.1.2 The Deputy Minister will nominate one (1) official of the ministry to represent management, and that person may nominate not more than two (2) others to assist him/her. A Human Resources staff official may attend as well to assist the designated official. The Union will designate not more than three (3) bargaining unit members who are ministry employees within the appropriate Local or unit. A Union staff representative may attend as well to assist the bargaining unit members.

5.1.3 With the prior agreement of both parties, either party may be accompanied by one or more persons to provide expertise and advice on specific items, or to act as observers or trainees.

5.1.4 Notwithstanding the reference to “Local or Unit” in 6.1.2, in probation and parole services the union will designate bargaining unit members who are ministry employees in the appropriate Region of the Ministry.

5.2 Meetings

5.2.1 LERC/RERC meetings may be held not more frequently than once every two (2) months at a mutually agreed upon time and place.
5.3 **Agenda and Minutes**

5.3.1 Annotated agendas of reasonable length detailing issues in a clear and concise fashion will be exchanged by the parties at least ten (10) working days prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees.

5.3.2 With mutual consent additional items may be added prior to, or at the meeting.

5.3.3 One set of minutes will be produced by the ministry within fourteen (14) days of each meeting. The minutes will reflect matters discussed and any agreement or disagreement on solutions proposed. Where a matter is deferred, the minutes will reflect which party is responsible for follow-up.

5.3.6 The minutes are not binding on either party nor are they subject to the grievance procedure.

5.4 **Referral of Unresolved Matters**

5.4.1 Matters, which cannot be resolved, after all reasonable efforts have been exhausted at the local level, may be referred to the Ministry Employee Relations Committee (MERC) at the request of either party.

5.4.2 Notwithstanding Section 5.4.1, it is agreed that informal consultation at the regional level may prove beneficial in resolving matters that have not been resolved at the LERC level. Consequently, the parties agree that one management and one Union representative from LERC or currently constituted RERC will undertake to jointly consult with the appropriate regional administration on matters that have been resolved at a LERC/RERC meeting, where the Regional Director or their designee was not present at the meeting. The purpose of this joint consultation is to attempt to resolve matters in dispute so that they will not have to be referred to the MERC. Nothing in this section precludes the direct referral of an unresolved local issue to the MERC where local Union representatives and regional administrators are unable to consult within twenty (20) working days of the LERC/RERC meeting at which the issue in dispute was discussed.

5.4.3 Where a LERC/RERC does not exist for the relevant Local or work unit, matters may be referred directly to the MERC.

**ARTICLE 6 - ADMINISTRATION**
6.1.1 Leave of absence without loss of pay or credits shall be granted to bargaining unit representatives of the MERC, RERC or LERC for the purpose of attending meetings, unless such leave unduly interferes with the operating requirements of the Ministry. Leave requests shall not be unreasonably denied.

6.1.2 The Union MERC Co-chair(s) shall be granted a leave of absence without loss of pay or credits from the employee’s place of employment for the duration of their term as MERC Co-chair.

6.4 Travel and other expenses for LERC/RERC as the result of leaves granted above shall be borne by the Union.

6.5 Any Minutes of Understanding created as a result of the agreement of the parties in the MERC, LERCs and RERCs shall be given effect by the signature of responsible officials of both parties, but no agreement shall be binding upon the Union without approval by the President of the Ontario Public Service Employees Union or their designee, and no agreement shall be binding upon the Ministry without approval by the Deputy Minister or their designee.

Re: Letter of Understanding
Fixed-Term Rollovers of Correctional Officers and Youth Services Officers in MCSCS/MCYS

When a vacancy occurs, the parties will continue to utilize their current processes to rollover fixed-term Youth Services Officers and fixed-term Correctional Officers to the Regular Service. The appropriate MERC and/or MERC Transition Sub-Committee will be responsible for any disputes arising from the vacancy and will resolve all vacancies using a mix of lateral transfers and rollovers as negotiated. Where both parties agree, the competition process of posting vacancy(s) will be utilized to allow for fixed term and regular employees to apply.

Fixed term employees will have their hours calculated quarterly. These hours will be given to fixed-term employees with a dispute form to be checked and given back to the Employer for final verification. This will be done in order to expedite any further rollovers.

Once vacancies have been identified, rollovers will be conducted in the following manner:

Step 1 Positions to be filled by Rollover shall be by an “Expression of Interest” that will be posted in the institutions as determined by MERC.

Step 2 Fixed-term employees who indicate their interest in a rollover position, will have their quarterly hours reviewed and will be rolled over into the Regular Service in accordance with Appendix COR19.

Any Fixed-Term employee who declines a Regular position will continue with their Fixed-Term contract.

Failing agreement between the parties at either MCCSS MERC or Ministry of the Solicitor General MERC in reference to the vacancies, the Employer retains their rights under Article 2 of the Collective Agreement.
It is understood and recognized that this agreement does not supersede or interfere with any diversity initiatives.

INVESTIGATION AND SUSPENSION OF FIXED-TERM EMPLOYEES

Mr. Anastasios Zafiriadis

Re: Letter of Understanding
Investigation and Suspension of Fixed-Term Employees

The Public Service of Ontario Act, 2006 (PSOA) sections 35, 36 and 55, provide the authority to suspend employees with or without pay.

When an investigation is initiated, the Employer should consider whether the employee under investigation can remain in the workplace in some capacity, including whether the employee can be assigned other work within the workplace. Where the Employer determines that an employee cannot remain in the workplace pending an investigation, they will be suspended under section 36 (2) of PSOA.

Each decision to suspend pending an investigation and whether it will be with or without pay will be based on the specific facts of each case. Factors to consider may include the anticipated length of time it may take to conclude the investigation and the seriousness of the allegations.

When an employee has been suspended pending an investigation:

• In Ministry of the Solicitor General and MCCSS (Youth Justice Division), the Employer will contact the OPSEU Local President and the OPSEU MERC Co-Chair to notify them of the suspension, as soon as practicable.
In instances where a Correctional Bargaining Unit employee is suspended pending an investigation, and a determination has been made to suspend the employee with pay, the suspension of a fixed-term employee will be based on averaging the straight-time hours worked by the employee during the previous thirteen weeks.

Surveillance in Correctional Workplaces

The parties agree to the following regarding use of surveillance and electronic equipment in the workplaces:

Purpose

The purpose of electronic monitoring and surveillance of Correctional workplaces is for the safety and security of staff, inmates and property of the respective ministry. Information obtained may be used for protection against criminal acts such as theft, depredation and damage to property.

Advisement

The Employer shall notify the Union of any increases in use of surveillance equipment. In instances that the Employer is relying upon any type of electronic audio or video recordings for discipline or investigative purposes, the Employer shall notify the Union prior to holding a meeting with the employee for the purpose of investigation, that the Employer is in possession of electronic audio or video recordings that will be used for discipline or investigative purposes. Prior to a disciplinary meeting, the Employer will provide a copy of such recording to the Union, as soon as reasonably practical, upon request.

The use of electronic monitoring/surveillance equipment is not to be used as a replacement for supervising or managing; or as a means to evaluate employee performance.

Re: Letter of Understanding
Probation and Parole Officer Workload

This will confirm that the parties agree to continue the Probation and Parole Officer workload sub-committee of MCSCS MERC for the duration of this Collective Agreement.

The mandate of the workload subcommittee will include:

1. Development of Terms of Reference for the Sub-committee
2. Establishment of a process to address workload concerns in a timely manner
3. Any new policy that will have a direct impact on workload, shall be submitted for review. The sub-committee can make recommendations on strategies to address increased workload.

This will confirm that the parties will utilize a Work Load Analysis tool in their respective Ministries to reallocate workload or resources. Re: Letter of Understanding
MCSCS Provincial Joint Health and Safety Committee and the MCYS Divisional Health and Safety Committee

Preamble

The Employer and the Union recognize the importance of emphasizing Occupational Health and Safety (OH&S) issues in the workplace. With this in mind, the Employer and the Union agree to the establishment of a two (2) Provincial Joint Health and Safety Committees on Occupational Health & Safety to address safety throughout the MCSCS (Correctional Services Division) and MCYS (Youth Justice Division).

This document sets forth the terms of reference for those committees. The Employer and Union representatives recognize that terms of reference are necessary to guide the operation of the Committees and the issues they may be required to review.

1. Mandate

The purpose of the Provincial Joint Health & Safety Committees (the “Committees”) is to review health and safety issues with Ministry-wide applications and make recommendations to the Deputy Minister that may lead to resolution of such issues and assist with implementation.

The Committees also function per the provisions of the guidelines as originally established pursuant to the Memorandum of Settlement signed between the parties on September 21, 1990 (MCS), the MOL Order dated November 13, 1990 (MCS), the Agreement agreed between the parties dated March 07, 1991 (MCS), the Right to Refuse Unsafe Work Protocol dated October 04, 1991 (MCS), and the Agreement dated October 19, 2006 (MCYS).

The parties agree to establish two Ministry-level Committees – one for Ministry of Children and Youth Services (Youth Justice Division) and one for Ministry of Community Safety and Correctional Services (Correctional Services Division).
Ministry Level Committees

Functions of and matters appropriate for consideration of the committees include:

1.1 The purpose of the Ministry level committees is to review health and safety issues with Ministry-wide application and to act as a forum where potential areas of concern can be discussed and recommendations for action made. Functions of and matters appropriate for consideration by the committee include:

a) receive and review accident occupational illnesses statistics;
b) discussing issues which have Ministry-wide application and have been identified by the Union or the Employer;
c) reviewing Ministry and/or Union health and safety training initiatives;
d) reviewing occupational health and safety and WSIB investigation reports of all fatal work-related accidents and critical injuries. The Employer will notify the Union Provincial Health and Safety Co-chair as soon as reasonably possible when a critical injury occurs, and shall provide report(s) directly related to the critical injury for review;
e) receiving and reviewing all newly issued health and safety directives and procedures issued by the Employer at the Ministry/Divisional level;
f) acting as a resource to local workplace committees/representatives;
g) reviewing unresolved issues from the local level that have been referred to the Ministry level committees. The issues will be reviewed by a worker representative selected by and from the worker representatives of the Ministry-level committee and an Employer representative of the Ministry-level committee, with the objective of resolving the issue. This joint review will be undertaken prior to the unresolved issue being placed on the agenda for subsequent Ministry-level committee meetings, or in the alternative the resolution of the issue will be reflected in the subsequent set of minutes.
h) To promote conducting safety inspections on a regular basis through consultation with local OH&S committees or worker representatives.
i) To review issues and minutes of local health and safety committees/representatives which have been raised at the local and have been jointly referred to PJH&S Committees.
j) To inspect specific sites when there is appropriate justification for doing so as agreed upon by the Committee(s) for matters referred in accordance with the previous paragraph.

2. Membership

2.1.1 Each of the Committees shall be composed of four (4) Employer nominees chosen by the Employer and four (4) worker nominees chosen by the Union. The Union and the Ministry may each provide staff resources to the Committees as necessary.

2.1.2 (a) Two (2) of the members of each of the committees shall be selected as co-chairs, one of whom shall be selected by the members who represent the Union and the other of whom shall be selected by the members who exercise
managerial functions.

(b) MCSCS Committee Union co-chair will have approved full-time off and the Union Community Representative will have approved half-time off. Additional time off requests for the MCSCS Union Community Representative will be considered by the Employer on a case-by-case basis. The MCYS Committee Union co-chair will have approved full-time off. The MCYS Union Community Representative will have an approved minimum of thirty-six and a quarter (36 ¼) hours per month time off, and additional time off will be considered by the Employer on a case-by-case basis. This time off will be a leave of absence without loss of pay or credits and considered a duty assignment and the time off will be paid by the Employer. Expenses incurred by the Committees’ Union co-chairs will be paid for by the Union.

2.1.3 The Employer co-chair of the MERC may, and the Union co-chair of the MERC will, sit as ex-officio members of these committees.

2.2.1 Union members of the Committees shall be permitted to take time from work to attend meetings of the Committees, unless such leave unduly interferes with the operating requirements of the workplace. Permission will not be unreasonably denied.

2.2.2 All time spent attending the committee meetings shall be considered as work time and paid at the regular or premium rate, as may be proper, for members who are Ministry employees.

2.3.3 Preparation time will be provided and approved by the Employer to Union members of one (1) day prior to scheduled committee meetings, to allow for total travel and caucus time.

2.3.4 Expenses related to travel for Union members of the Committees shall be paid for every second meeting in accordance with the government’s and Ministry guidelines.

Scheduling Meetings

3.1 Meetings of the Committees shall be scheduled quarterly or otherwise at the mutual agreement of the parties.

Local Workplace Committees/ Representatives

4.1 The parties agree that all Ministry workplaces as defined by the Occupational Health and Safety Act will abide by the provisions established by the Occupational Health & Safety Act.

4.2 The Ministry and the Union agree to establish joint Occupational Health and Safety committees at each workplace as defined by the Occupational Health and Safety Act.
Such workplace committees shall function in accordance with the provisions for joint Occupational Health and Safety committees.

4.3 It is the policy of the Ministry and the Union to encourage the active participation of all workers in the prevention of accidents and in the promotion of health and safety in the workplace.

4.4 The parties acknowledge that the joint Occupational Health and Safety system can only be successful where the representatives of the Employer and the workers are committed to these responsibilities. Therefore, the parties undertake to cooperate in ensuring that these provisions will be carried out by their respective organizations.

4.5 The parties have adopted these provisions in good faith and agree to promote occupational health and safety in the workplace, and assist joint Occupational Health and Safety committees, committee members and workplace representatives, by providing such information and assistance as may reasonably be required for the purpose of carrying out their responsibilities.

4.6 The purpose of these provisions is to detail the formation, function, composition and administrative processes for the joint Occupational Health and Safety committee system which is being adopted by the Union and the Ministry for workers throughout the Ministry.

4.7 The parties jointly encourage the resolution of all occupational health and safety complaints in accordance with these provisions. It is further recommended that workers and supervisors are to endeavour to jointly resolve occupational health and safety issues and complaints in their own workplace through the local joint committee process. It is the expectation of the parties to resolve outstanding issues and complaints jointly prior to the initiation of grievances under the Collective Agreement on Working Conditions and Employee Benefits. At the same time, these principles are not intended to abridge the right of the Union or a worker to inform the Ministry of Labour when it is felt that a health and safety complaint has not been satisfactorily resolved.

4.8 The Occupational Health and Safety committee structure may accept for discussion and resolution, items pertaining to the occupational health and safety except issues relating to staffing (including complement, deployment, scheduling, assignments, posts, etc.) overcapacity and security (both static and dynamic).

Michael Villeneuve

Flexible Hours of Work and Telework Arrangements that Include CWW Schedules in Probation and Probation & Parole Offices

Flexible hours of work arrangements are defined as when the start and/or stop times for the employee are outside of a designated core period. Telework is an alternate work arrangement in which work that is traditionally conducted in the employee’s headquarters is performed at an alternate location which may include the employee’s home.

Whereas the parties agree that flexible hours of work arrangements can be an effective method of assisting employees to balance work and personal responsibilities as well as achieving organizational objectives, the parties agree to the following:

1) Hours of work shall be arranged to best serve the convenience of the public and the achievement of operational needs.

2) The parties recognize that there may be instances where flexible hours of work arrangements may not be a viable method of arranging schedules to meet operational requirements. Further, the parties agree that it is critical to, at a minimum, adhere to common service standards.

3) Local Employee Relations Committees may enter into a review process on the feasibility of incorporating flexible hours of work arrangements in the workplace, including Compressed Work Week agreements, and telework.

4) Should the workplace not have a Local Employee Relations Committee, the Ministry Employee Relations Committee may review the feasibility of incorporating a flexible hours of work arrangement in the workplace.

    Re: Healthcare Positions in the Correctional Bargaining Unit

Whereas the Employer is reviewing options to shift oversight and the provision of healthcare services in correctional facilities to the Ministry of Health:

This letter of understanding clarifies that, should there be a transfer, change of oversight or change of governance to another ministry of healthcare services provided by OPSEU members, this will not change that OPSEU members that are headquartered at an Ministry of the Solicitor General adult correctional institution or Ministry of Community, Children, and Social Services youth justice facility will remain in the Correctional Bargaining Unit as set out in the Memorandum of Settlement dated December 15, 2016 and the Memorandum of Understanding dated January 23, 2018.

The Employer confirms its commitment to engage the Union in discussion(s) regarding any changes with respect to a transfer, change of oversight or change of governance to another ministry of healthcare services provided by OPSEU members. The Employer commits to upholding its requirements under the current MBC Confidential Disclosure to Bargaining Agents Directive prior to implementing any such changes.

Re: Letter of Understanding
Fixed-Term Rollovers of Non-CO/YSO/PPO/PO Positions in Ministry of the Solicitor General and Ministry of Children, Community and Social Services (Youth Justice Division)

When a vacancy occurs, the parties will utilize their current processes to rollover fixed-term non-CO/YSO/PPO/PO positions in Ministry of the Solicitor General and Ministry of Children, Community and Social Services to the Regular Service. The respective MERCs and/or MERC Transition Sub-Committees will be responsible for any disputes arising from the vacancy and will resolve all vacancies using a mix of lateral transfers and rollovers as negotiated. Where both parties agree, the competition process of posting vacancy(s) will be utilized to allow for fixed-term and regular employees to apply.

Fixed-term employees will have their hours calculated quarterly. These hours will be given to fixed-term employees with a dispute form to be checked and given back to the Employer for final verification. This will be done in order to expedite any further rollovers.

Once vacancies have been identified, rollovers will be conducted in the following manner:

Step 1 Positions to be filled by Rollover shall be by an “Expression of Interest” that will be posted in the worksites as determined by the respective MERC.

Step 2 Fixed-term employees who indicate their interest in a rollover position, will have their quarterly hours reviewed and will be rolled over into the classification that the employee currently occupies in the Regular Service in accordance with Appendix COR19.

Any Fixed-Term employee who declines a Regular position in the classification that the employee currently occupies will continue with their Fixed-Term contract.

Failing agreement between the parties at the respective MERC in reference to the vacancies, the Employer retains their rights under Article 2 of the Collective Agreement.

It is understood and recognized that this agreement does not supersede or interfere with any diversity initiatives.
The Ministry of the Solicitor General/Ministry of Children, Community and Social Services MERC will meet within one hundred and twenty (120) days of date of April 1, 2019 to implement this agreement.

PROVINCIAL CO AND YSO FIXED-TERM EMPLOYEE CONTRACT TRANSFER LIST

LETTER OF UNDERSTANDING

Re: Letter of Understanding
Provincial Fixed-Term Employees Contract Transfer List

Effective July 1, 2019:

For the term of the collective agreement, the parties agree to work together in recognition of supporting enhancements to fixed-term employee recruitment, staffing levels and retention at institutions/facilities at Ministry of the Solicitor General and Ministry of Children, Community and Social Services.

The parties agree that each ministry shall create a list of its CO/YSO fixed-term employees who have expressed interest in having their contract transferred to another institution/facility as determined by the Employer.

In order to be eligible to register to be on the list, employees must have worked at least one (1) year in their current position in their current institution/facility.

Each ministry shall maintain a ministry-specific list that may be considered when fixed-term employment opportunities become available.

For a fixed-term employee who wishes to be on the list, registration is required. An employee will remain on the list for the calendar year in which they register. It is the responsibility of the fixed-term employee to register in each calendar year to remain active on the registry for the calendar year.

For clarity, nothing in this letter of understanding shall supersede or interfere with the provisions of Article 6 (Posting and Filling of Vacancies or New Positions) or Article 8 (Temporary Assignments) in the collective agreement, or the requirements to first post vacancy/vacancies as restricted to OPSEU-represented employees on notice of layoff and/or employees registered for health reassignment to have priority consideration to those vacancies. The Employer shall continue to meet its obligations under the Human Rights Code.

Any transfer of a fixed-term contract will require the agreement of the employee, employee’s current manager and employee’s receiving manager to proceed with the transfer request. Consideration for transfer also includes an employee file review.
Where there are a greater number of eligible employees on the provincial fixed-term contract list than available opportunities, the deciding factor shall be seniority in accordance with Appendix COR19.

The Employer retains their rights under Article 2 of the Collective Agreement.

For clarity, a fixed-term employee whose contract is transferred has no entitlement to relocation costs.

The provincial fixed-term contract transfer list will be accessed by the Employer a minimum of two times a calendar year.

The Employer agrees to provide a copy of the ministry list quarterly at respective MERCs.

Compensating Time Off for Overtime Worked

The Employer agrees to allow employees within the Correctional Bargaining Unit (except employees entitled to receive the Probation Officers Allowance) who are eligible to receive compensating leave or pay at the overtime rate worked as set out in Article COR 8 and as set out below.

Effective April 1, 2019, where an employee receives compensating leave per Article COR 8, no more than a total of 60 hours at any given time may be accumulated.
